Laser is gentle, sweet-tempered, a wonderful companion and loves to play the "plastic bag game." Many thanks to Anne Midgarden for breeding Ferlie to Sox and allowing Laser to come live with us. Laser is pointed in the show ring, with a best of breed to his credit and has LGRA (straight racing) points as well.

Lucy is a "happy hunter" enjoying racing, open field coursing and a little bit of the lure. When not engaged in these activities she runs around the ranch with her sister Sondy (Aragorn's Sondra Day O'Connor) and my granddaughter Virginia.
