Notes on the new online version of *The Aristocrat*

The Aristocrat will be published online on a quarterly basis. It will be posted on the BCOA website as a pdf so that you can print it if you like.

We will not be doing ads as part of the *Aristocrat* as we have the BCOA online ad feature already. The issues will include all the content that was previously included in the *Aristocrat* section of the Borzoi Connection (new title holders, statistics, articles from committee chairs and of course, annual awards and specialty results).

If you want to include BCOA TSE results and photos, contact Helen W. Lee at savladai@borzoi.net for information on how to submit the best quality photos.

The quarterly deadlines are: Feb. 15, May 15, Aug. 15 and Nov. 15. There will be a separate specialty issue each year (so that you do not have to wait until August for the results and photos). If you are interested in submitting an article, please contact Lydia Pruett to discuss.

BCOA Receives AKC Community Achievement Award!

BCOA would like to thank Veni Harlan and Robin Casey for their hard work on the Ready Borzoi website! AKC awarded BCOA with \$1,000 for this effort; work is under way to determine how the funds will be used. We have received requests from other AKC Parent Clubs to include a reference to our site in their newsletters.

The American Kennel Club announced recently that the Borzoi Club of America (BCOA) has been named a recipient of the AKC Community Achievement Award for the creation of the disaster preparedness website *ReadyBorzoi*®. BCOA received

one of two awards for the first quarter of 2011.

The AKC Community Achievement Awards support and recognize outstanding public education and legislation efforts of AKC-affiliated clubs, AKC-recognized federations and their members. The AKC selects award recipients who promote purebred dogs and responsible dog ownership within their communities or who have successfully introduced, monitored and responded to legislative issues affecting dog ownership.

In response to disasters across the United States, particularly Hurricane Katrina, and

in recognition of the leadership role clubs play, the Borzoi Club of America launched a comprehensive disaster preparedness website called *ReadyBorzoi*®. The site is a one-stop virtual kiosk for details on types of disasters, readiness kit information, links to state disaster plans, shelter contacts, key information on everyday emergencies, online publications, law and governance issues, insights on donating and charities, and multiple tools and links. In addition, a Buddy List was established composed of a network of BCOA members in every state who are willing and

able to provide assistance such as boarding, transport, or supplies.

BCOA *ReadyBorzoi*®, while based on federal and state educational materials for pet owners, goes far beyond the generic information that is scattered on multiple platforms. The site is breed-specific, strongly encourages Borzoi owners to create their own disaster preparedness plans, and offers them the tools and information required to do so.

The guide is online and part of the parent club website. An icon on the front page links the visitor to the *ReadyBorzoi*® pages. Members are also encouraged to list the link on their own hobby sites to further emphasize disaster preparedness.

“With the comprehensive tools they have provided, the Borzoi Club of America has prepared Borzoi owners for any potential disaster and ensured that their members stand a better chance of protecting their pets, family and property in the event a disaster occurs,” said Sheila Goffe, AKC’s Director of Government Relations. “We encourage other clubs to take a look at the website and use it as an example when creating their own disaster plans. Congratulations to BCOA and we are pleased to award them a Community Achievement Award.”

Nominations for the AKC Community Achievement Awards are accepted year-round. Up to three honorees are named each quarter. They receive a certificate of appreciation and a \$1,000 check payable to the club or federation's public education and canine legislation efforts. §

The 2011 ASFA Annual Convention of Delegates

March 19th 2011 - Submitted by Josie Haumont

Overall the ACoD this year was a very low key event. The Executive Committee each spoke about the small changes we've made in the past year and the big changes we're looking forward to in 2011. With the FAN magazine gone we have moved to an e-mailed Communique which is sent out to every club and 30 days later posted to the web site. Clubs are encouraged to send it to club members. Different groups spoke on the major changes planned for the web site in 2011. ASFA has recognized with a 4% decrease in entries last year that it's time to really amp up our Public Relations. With our improved financial state we can afford to do this. We must invest into our future. We plan to have the new site up by the ACoD next year, if not sooner.

7 of our 16 board members are new this year. Jeff is excited about the energy these new board members bring to the table. The 7 are all Regional Directors. All are committed to improving communication between the Board and the coursing community. The RD's are in charge of, among other things, Invitationals and Public Relations. The current group of RD's are very passionate about getting the face of ASFA out and available to potential coursers. The RD's are asking that anyone with idea's to please contact your Regional Director or the Public Relations Chair (Josie Haumont). This is Jeff's last year as President. Next year we'll have elections at the ACoD.

The International Invitational is scheduled for Virginia in 2011, Colorado in 2012, and 2013 has yet to be planned. We are still looking for a club or clubs that might want to take it! Last year the option of the 2 day Regional Invitational was tested. It has now been approved by the Board of Directors as an option for each Region going forward.

Judging seminars have had a good success rate but it's been getting harder to get clubs to hold them. The Regional Directors took on the task of ensuring one Judging Seminar is done in each Region every two years.

Records Coordinator and Scheduling

Coordinator talked about clubs needing to get trial results in on time. One increasing problem Lori has been having has been with entry forms. People not using correct forms, and not being able to read the handwriting. She asked that the Field Trial Secretary please get these things fixed at the trial. The premiums for trials are now listed on the web site. This started late last year and has been well received.

The original artwork for the ASFA logo has been found. It was previously thought to be gone. It's been given to Dean Wright the Historian. It was on display for the ACoD. It was very interesting to see each head study away from the logo we are all so used to seeing and in much greater detail. It was thought we might be able to use these next year in celebrating the 40th Anniversary of ASFA.

The awards for the #1 Hound in each breed was given out. Borzoi was given to "Phoebe" owned by Susan Van de Water. Excellence in Performance Award was given to Southern Idaho Sighthound Field Association. Hall of Fame awards went to Greg & Carolyn Mountain. Hall of Fame Hound awards went to Sligo the Whippet, Joe the Whippet, & Kimba the Rhodesian Ridgeback. We didn't have any nominations for the Gary Forrester award. Gary Roush expressed his disappointment and asked for nominations this coming year.

The ACoD in 2012 will be in Raleigh, NC. 2013 will be in Denver, CO, 2014 will be in Pittsburgh, PA.

PROPOSED RULE CHANGES:

- (1a) Shall the Single Stake be converted into a Regular stake, leading to TCP and CPX titles? Passed (18 Yay/ 13 Nay)
- (1b) Shall hounds in Limited stake be prohibited from winning titles through the Single stake? Passed
- (1c) Shall the CIC be awarded from the Single stake? Failed
- (1d) Shall the SCE be awarded from the Single stake? Failed
- (2) Delete Ch. III Section 2. A person shall not judge the same breed or breeds

ALONE on two consecutive days within a 150-mile radius. Failed

NEW BUSINESS:

1. Bob Bohanek – Motion, Seconded, Failed Propose the creation of a new ad hoc committee for the review of ACoD minutes that is separate from the minutes review committee for Board meetings.
2. Bob Bohanek – Motion, Seconded Propose requiring Silken Windhounds entering into ASFA trials to have corresponding UKC Registration Numbers. Now that a recognized all-breed registry has recognized the breed, it should carry that registry number. Friendly amendment to direct the REC to consider creating a rule change that would require Silken Windhounds to have a UKC number. Motion withdrawn. Motion, Seconded, Failed – To direct the REC to look at a rule change dealing with the Board approval of registries.
3. Bob Bohanek – Motion, Seconded In order to create more inclusion of dogs and exhibitors, establish an ad hoc committee to investigate the viability of a lurcher/long dog stake and rules/procedures around such. Such committee to report no later than ACoD 2012. Motion Withdrawn since there's discussion of a possible conflict with the ASFA Constitution and that the CRC has already been tasked with this conflict.
4. Dean Wright – He questioned the status of the 'True Invitational'. Pete Lowe spoke to that and reported that the Invitational Committee had reviewed it and decided to cancel it.
5. Marilyn Standerford – Motion, Seconded, Passed – to direct the CRC to remove Article 7, Section 3 from the Constitution dealing with Standing Committees.
6. Ann Chamberlain – Motion, Seconded, Failed – to direct the REC to modify Chapter 10 of the Rulebook dealing with breed disqualifications for the purpose of allowing hounds with conformation show disqualifications to compete. §
