

BCOA Region 5
Robin Riel

There was an inmpromptu BCOA meeting at the Puyallup dog show in January. I asked that all members to be sure they voted in the election and wanted to make sure that everyone received a ballot and if not where they could get one. I asked if there were any questions or items that they felt needed to be brought before the board. I answered questions in regards to the upcoming Nationals and asked for volunteers as we could use all the help we can get. It was voted on and passed by PSBC that our regional specialty club would put together a basket of PNW items for auction at the Nationals. I wanted to mention that there is a All Breed show held in Spokane, WA on Sunday after our Nationals. Superintendent is Onofrio and is about an hour and a half driving east for those who drove out. Also wanted to remind everyone to get your reserved grooming and RV parking in soon. RV is very limited and both are on a first come first serve. So far I have 1 parking and 5 reserved grooming. See you all at the Nationals. I can't wait!!!!
