

**BORZOI CLUB OF AMERICA  
AKC Delegate Report**

May 3, 2012

The AKC Delegate Meeting was held March 13, 2012 – Newark, New Jersey

The Delegate body elected Patricia M. Cruz, William J. Feeney, & Thomas S. Powers to the AKC Board of Directors of the AKC.

The AKC Owner-Handler Series began January 2012 at select all-breed shows is now an option open to all all-breed clubs.

Due to an error in the reading at the December meeting, the proposed amendment to create a new three-point major for the dog designated Reserve Winners Dog and the bitch designated Reserve Winners Bitch at one National Specialty each year has been withdrawn and will be resubmitted in the future.

The proposed amendment to increase the Group from 7 to 11 did not receive the necessary 2/3 majority and the amendment was not adopted.

I will not be attending the June 12 Delegate meeting in Raleigh, NC. I cannot justify the expense with the agenda's only vote being allowing superintendents and show secretaries to use the AKC entry verification to correct entries as appropriate.

Respectfully Submitted,  
Barbara O'Neill
