Regional Governors Reports November 2014

Region 1 (Ron Williams)

I wasn't able to attend any local Borzoi club meetings. Hopefully, in the near future this will happen. I communicated to my region by email about the November Board Meeting taking place and if there were any information, questions or concerns the members or clubs would like me to bring to the meeting. One person responded: Janice McGivney, from New York. She informed me of some health issues she's having and because of it moving closer to her children in Florida. She's looking for someone to co-own her two bitches and possibly show them. With Janice's approval, I sent an email out to the Region 1 members and copied Dee Jones.

I also sent:

A number of AKC Newsletters and notices out to the region.

An email reminding the region to send in their dues, sign the Code of Ethics and vote. Also, to whom the respective forms should be sent. The email included a friendly reminder to the Life Members to complete the dues form for communicative purposes.

I was asked to send a BCCNJ Match notice out to the region by Karen Cartabona. The match was in conjunction with the Central NJ Hound Association and Morris & Essex KC and took place on 9/21. Karen asked if I could show up and meet some new Borzoi owners who were attending their first show with their first dog. I did show up and spent quite a bit of time with a lovely couple that was showing their new puppy. They seemed to be very interested in showing their dog (who did a fair amount of winning) and in BCOA.

Region 2 (Roy Silguero) Nothing to report

Region 3 (Prudence Hlatky)

Upcoming BCOA Region III events:

23 & 24 January 2015 Baton Rouge & Alexandria Kennel Clubs Co-ordinator, Veni Harlan

Judge: Lorraine Boutwell / Sweeps: Kasey Parks Judge: Meghann Lord-Fenn / Sweeps: Steve Sims

14 February 2015 Rocky Mountain Borzoi Club Specialty Judge: Dan Dowling

Judge: TBD - Sweeps and any supported entry judges

March 2015 Lone Star Borzoi Club Ft. Worth, TX - Judges TBD

July 2015 BCOA TSE Houston- Judges TBD

Recent BCOA Region III events:

Lone Star Borzoi Club Specialty - September 20, judges Eugene Blake and Leonore Abordo drew an entry (after absences) of 63 Borzoi. It was a very well-run event where the attendees saw beautiful Borzoi, enjoyed good food and comradeship of fellow Borzoi lovers.

The Rocky Mountain Borzoi Club Specialty held a very success Labor Day specialty with judges Shen Smith and Virginia Jones drawing an entry (after absences) of 57 Borzoi.

This region is fortunate in that our specialties, TSE and major shows frequently draw substantial entries, usually in the range of 40-50-60+ Borzoi.

Remember the 2016 BCOA National will be held in Lawrence, Kansas 9-16 April 2016. It's the same site as the 2011 BCOA National. Kay Cassella and I are co-coordinators of the Facility and Event logistics. We still have committee openings to fill. Please don't be shy, as we would love to have you volunteer for as much or as little as you can. It is a wonderful way to become involved in the workings of the BCOA National and a great way to meet other Borzoi lovers. We welcome members from other regions to join our team.

Please don't hesitate to contact me if you have questions or concerns. I have several items members have requested I bring before the board at the next meeting and would be happy to add yours.

Region 4 (Lorrie Scott)

October 14-18, 2014 the International Borzoi Council met in Pleasanton, California. The Borzoi Club of Northern California had its specialty with this event. I understand it was well attended and from the many attendees I heard from the meetings were very informative and interesting. Kristina Terra did a great job organizing the IBC gathering and the events/speakers associated with it. I'm sure many new friendships have begun.

Currently our region is quiet until next year.

This is my last report as governor and I wish the new governor much success.

Region 5 (Robin Casey) Nothing to report

Region 6 (Joyce Katona)

Region 6 has been very active with three Specialties, two Midwest Borzoi Club Specialties, one in Michigan and another in Wisconsin this summer. Also the Greater Twin Cities Borzoi Club had a summer Specialty. All events were well attended and exhibitors were happy to be going home with major wins. I attended the MBC Specialties this year and I can say the trophies were awesome, the lunches were excellent and the camaraderie was enjoyable. Thank you to all the coordinators of these Region 6 Specialties and to the exhibitors who supported them.

Coming up are the back-to-back Borzoi Club of Greater Omaha Specialties in Nebraska. In my previous report, I used the corresponding date table but have since learned the dates for this year's events are Saturday, November 22nd and Sunday the 23rd. The Saturday judges are: Conformation-Amy Sorbie (Kryov) and Sweepstakes- Pamela Leichtman (Chrysalis). Sunday's judges are: Conformation-Sandra Simmons-Gamble (Aldemoor) and Sweepstakes-Kristi Arnquist, DVM (Spirit).

While in WI, I had the chance to speak with several regional members who are interested in revising the Judge's Education program. A proposal was drawn up and presented to the BCOA Board. Another region also had the same thought and the Board will be discussing the various proposals at our November meeting.

I have been busy with the many small jobs that it takes to make the National successful. I hope you all will attend and enjoy the events on May 10—16 with the Midwest Borzoi Club Specialty following on the 17th. For the second year we are offering a Dual Champion Sweepstakes as a special attraction. For the first time ever, BCOA is presenting a Beach Party, a night on the shores of Lake Erie, complete with a bonfire and borzoi are welcome! A night with no educational program planned, a night just for FUN!! Hope to see you on the beach!

Joy Windle moved, seconded by KC Artley, to approve the report; the motion carried.

Standing Committee Reports November 2014

Joyce Katona moved, seconded by Carol Enz, to approve the reports; the motion carried.

Archives (KC Artley)

I will be submitting a short article "From the BCOA Archives" for each issue of the *Aristocrat*, which will contain some interesting information for the members.

BTRC (KC Artley): We have a large bond maturing 15 November, by which date the committee needs to have a re-investment plan. I have emailed the BTRC members asking them to review our investments and to provide recommendations.

Breed Welfare (Dee Jones)

I want to remind everyone that we will have a Companion Parade and Costume Contest at Nationals in May. If your dog is not entered in the show, it is eligible for the Companion Parade. So bring your best buddy, your agility dog, obedience dog, coursing or racing hound and participate. Every dog gets a toy.

The Costume Contest Theme is Rock 'N Roll is Here to Stay, in honor of the Rock 'N Roll Hall Museum in the area. Dress your Borzoi as your favorite Rock Star and let's roll.

There are no entry fees for either the Companion Parade or Costume Contest, but a completed entry form is required. Entry forms should be on-line prior to the Specialty and as always, will be available at the registration table at the Specialty.

NBRF (Liz Duncan-Burge)

The National Borzoi Rescue Foundation (NBRF) is dedicated to the rescue and permanent placement of all displaced borzoi across the United States. All Borzoi are spayed/neutered and fully vetted prior to placement. Adoption applications, references checked, and home visits are required prior to placement with emphasis placed on the quality of life, and special needs of each individual Borzoi.

For the year to date, NBRF has had 37 Borzoi come into rescue and has successfully placed all in loving, forever homes. We currently have no borzoi in foster care or currently available. We thank all of our fosters and volunteers, including BR-NC who coordinated and helped with transport of one ZoiGirl, for their help with all of these deserving Borzoi.

In the past two months, NBRF has also recently worked with a FL Rescue on home checks, approved placement, and transport of 5 borzoi puppies. We also provided information to a non-rescue Borzoi home in NV on sources for funding for her vet bills as well as locating a sighthound savvy veterinarian for another home in CA with critical medical issues. NBRF has also reached out to a rescueme.org advertisement of a Borzoi for placement and will be assisting the family in placing their father's Borzoi after the owner's impending passing. NBRF has offered assistance to a MD all breed shelter on a Borzoi. NBRF has offered transportation assistance, including a driver, van and trailer to the Irish Wolfhound Rescue in support of the 72 Texas IWs in need.

NBRF has been busy with several different fundraisers this year, raising \$6,372.64 to date, on raffling off a lovely Waterford Crystal Bowl that was donated to us, the donation of half of all sales from Norma Eliscu Banas' collection of vintage Borzoi collectibles, and Dr. Chynn's Shaving Rhett for Saving Borzoi. Our Benefit Wines fundraiser continues and wine can be ordered from www.BenefitWines.com/borzoi with a portion of each sale going to NBRF. They have 6 different wines, each with a rescued Borzoi on the label; think, "perfect Christmas gifts"!

For the year to date, NBRF's veterinarian expenses have been \$20,142.32.

NBRF has added a Volunteer Application to our website www.nbrf.org for foster, transport, and specialized talent (art work, fundraising, crafts, etc.). We welcome and appreciate the Borzoi community's participation in rescue!

Our NBRF Facebook page <https://www.facebook.com/nationalborzoirescuefoundation?ref=hl> provides many links on helpful health information as well as status of current & placed Borzoi. We cordially invite you to visit the page, which is open to the public.

NBRF encourages ALL breeders to permanently identify their Borzoi and puppies with microchips or tattoos. Without such identification, we are unable to contact YOU if your dog should ever end up in rescue. Always hug your hounds!

BR-NC (Nancy Joeckel)

Third Quarter Dogs in Rescue: All Borzoi placed through BR-NC Adoption are spayed/neutered, microchipped, heartworm/Lyme tested, and current on all vet care before placement. Adoption Applications are required, references are checked, and home inspection visits are done.

Royce 2014: Royce remains in foster care to resolve several chronic medical problems.

Shanti 2013: Shanti remains in foster care as we search for an appropriate home for him.

Third Quarter Dogs in BR-NC's Referral Program: BR-NC's Referral Program gives owners/breeders access to excellent pet homes while retaining full control over all aspects of placing their dogs. In return, BR-NC receives a \$100 donation to help cover the expenses of the Borzoi we take into Rescue.

The following Borzoi was in the Referral Program this quarter: Sam 2014 – 2-year-old male
Other Dogs Assisted by BR-NC: BR-NC and NBRF worked together to transport Rescue Alice from S. California to her new home in Seattle, WA.

All Referral dogs are current on vet care and micro-chipped before placement. Yearlings & adults are spayed/neutered. Puppies are to be altered at one year, and BR-NC will supervise those contracts.

The online order form is on the BCOA website, under Publications drop down. Information can be imported directly into the yearbook format. In addition, a form is on the website for use by those who would prefer not to use the online form. K.C. has agreed to continue accepting Yearbook PayPal payments until the Yearbook deadline of March 1. The Yearbook will be available at the 2015 National Specialty in Huron, Ohio. Early bird discount deadline is January 15.

Unfinished Business

Breeder Referrals: additional option (from Kay Henderson at the Annual Meeting, Albuquerque, April 2014) Rebecca Peters-Campbell will ask Kay Henderson & Cindi Gredys to draft a form for use on BCOA website, which they will present for Board of Directors in February 2015, with final presentation to members at Annual Meeting in Ohio May 2015.

Member Placement Draft (Dee Jones) Revised by Board of Directors Barbara O'Neill moved, seconded by KC Artley, to approve the revisions; the motion carried.

Member Education at National: There will be no refreshments in 2015 and, therefore, no charge. Background: 2014 refreshments were ordered for 90 people who RSVPd they would attend; only 20 actually attended.

Frances Louise Martin Legacy

The board discussed what to do with the money bequeathed by Frances Louise Martin.

KC Artley moved, seconded by Lorrie Scott, to give \$2000 to BCOA Junior Handler Scholarship Fund in memory of Frances Louise Martin; the motion carried.

KC Artley moved, seconded by Lorrie Scott, to give the remaining \$10,000 to an AKC/CHF initiative, which will benefit Borzoi, in her memory; the motion carried.

Triathlon

To increase entries in the Triathlon, the board discussed having Rally scores and Beginner-Novice scores count for the obedience part, and for the LGRA placements to count for the coursing part of the triathlon. This will be for a two-year trial period beginning with the 2015 triathlon. KC Artley moved, seconded by Lorrie Scott, that the base score is 80% of the points earned in Rally-Novice; 100% of the points earned in Advanced & Excellent. Bonus points for the four class placements in Rally will be the same as for Obedience. (Note that the rally judge scores only a dog that qualifies.) The motion carried, Barbara O'Neill abstaining.

KC Artley moved, seconded by Joy Windle, that the Base Score is 90% of the points earned in the Beginner-Novice obedience classes, divided by two. The motion carried. KC Artley moved, seconded by Joy Windle, that for LGRA, the Base Score is 50 for a dog who completes three races in good standing (no fouls, no off course, not dismissed, not disqualified). Motion carried with six in favor; Prudence Hlatky, Barbara O'Neill, & Karen Mays against. KC Artley moved, seconded by Joy Windle, that for LGRA, Bonus points are one point for each dog defeated, maximum 25. The only dogs that count as dogs defeated, are those dogs who complete three races in good standing (no fouls, no off course, not dismissed, not disqualified). The motion carried with six in favor; Prudence Hlatky against, Barbara O'Neill, & Karen Mays abstaining.

Judging Education

The board reviewed two proposals from members for changes to the Judges Education committee. The board agreed that additional members should be added to this committee to complete the following tasks:

1. Train additional BCOA members so that they can give the BCOA approved presentation.
2. Streamline that presentation, so that it would be easier to present.
3. Create a short re-fresher course for approved borzoi judges on points of emphasis when judging borzoi, that could be placed on the BCOA website or emailed.

The revised presentation and the re-fresher course will have to be approved by the Board. KC Artley moved, seconded by Joy Windle to approve. All in favor; motion carried.

Revised 'Brochures' for BCOA.org (Joy Windle) "Showing Borzoi in Conformation" is approved to replace the existing brochure. Obedience & Rally Obedience should be ready early in 2015.

New Business

Dual Champion Stakes Judge 2015 (Barbara O'Neill)

Five people were nominated. Board voted secretly. The Judge will be revealed at the event in May 2015.

Updating AKC Flyer: KC Artley moved, seconded by Joy Windle, that the flyer sent by the AKC along with each Borzoi registration be revised because none of the book titles on the suggested reading list are in print, and several websites listed are no longer valid.

BCOA Members Only at Yahoo. com: Joy Windle)

Members have requested expanding the guidelines to include regional specialty information and results.

Prudence Hlatky moved, seconded by Barbara O'Neill, that the group be maintained as it exists, adding no regional club information. Prudence Hlatky Barbara O'Neill, & Carol Enz voted in favor; KC Artley, Joyce Katona, Karen Mays, Lorrie Scott, Ron Williams, & Joy Windle voted against. Motion failed.

KC Artley moved, seconded by Ron Williams, to allow reasonable announcement of upcoming regional events and a posting of a link to the on-line results when they become available; the motion carried.

Request for Club information (Karen Mays)

Karen Mays read the request from a dog magazine asking for information, such as when our club held its first national specialty, how many borzoi entered our recent national show, etc. Several board members provided information for Karen to answer the request.

The inactive Borzoi Connection domain <borzoiconnection.com > has been bought by a porn site. Joy will work with legal counsel to draft a letter of complaint. KC Artley was asked to register <borzoiconnection.org > and < borzoiconnection.net > All references to borzoi connection have been removed from the Borzoi Club of America's websites and will be removed from the AKC flyer for borzoi.

Code of Ethics (Joy Windle): names of those who have signed will be added to the Honor Roll on <borzoiclubofamerica.org> If an honoree wishes, their name will link to their website or contact information. A badge designed by Veni Harlan will be available for signers to mount on their websites.

AKC Good Sportsmanship Award: We will vote at the February meeting.
