Regional Directors' Reports

Region I—Wayne Garcia

Region II—Alice M. Reese

Borzo Club of Greater Atlanta does not have a firm date for their first field trial yet—it will probably be December or January.

Regarding the 2002 National, Recording Secretary Vicki Sharp said that information about both sites (Perry and Atlanta) have been given to Barbara O'Neill.

The next event that the Potomac Valley Borzoi Club is looking forward to is their Spring 2001 Supported Entry held in conjunction with the Old Dominion Kennel Club, Leesburg, Virginia on Saturday, April 21st. The Regular Classes judge will be Lena Tamboer and Sweepstakes judge will be Cynthia Lastauckas.

The Greater Florida Borzoi Club is having its supported show November 19th. Breed Judge Martha Dean.

It is with great sadness that I write that at the end of December people in our region and all Borzoi people everywhere lost a great friend, fellow breeder and competitor. Bruce Averill was killed in an automobile accident. Bruce was past Regional Governor and Vice President of the BCOA, he was a founding member and officer of the Heart of Florida Borzoi Club and the Greater Atlanta Borzoi Club. His Khanzade Borzoi were well known throughout the United States as well as overseas. He will be sorely missed. I extend our deepest sympathy to Katie from our Region and also from the BCOA.

I would like to take this opportunity to say to my region how much I have enjoyed being the Regional Governor.

Region II - Kathy Wright

Potomac Valley Borzoi Club moves into the new year with a General Membership meeting being held February 17th after the judging at the Annapolis KC show at the home of member Charles Seltzer. Major happenings (in addition to PVBC's April 21, 2001 Supported Entry show mentioned above) include PVBC's October Specialty held

in conjunction with Middleburg KC with Regular Judge Dr. Richard Meen and Sweeps Judge Roy Silguero. President Priscilla White-Lineker has reported that AKC has approved several constitutional changes.

There has been a buzz of excitement in Region 2 since the Borzoi Club of Greater Atlanta's proposal to host the 2002 BCOA National was accepted. Now with a great theme "BELIEVE IN MAGIC" and the judges in place—Regular Classes: Donna Maharan (Midnight Borzoi) and Sweepstakes: Chris Bradley (Virshina)—the stage is set. But 2001 holds its own excitement with BCOGA's May 5-6 Supported Entry weekend. May 5, 2001 - BCOA Supported Entry—Regular Judge Henri Goldner and Sweeps Judge Shen Smith. May 6, 2001 - BCOGA Supported Entry—Reg. Judge Patricia Hillyard. Both of these shows will be held in memory of long time BCOA member and past officer Bruce Averill. A memorial trophy will be offered at the BCOGA Supported Show to be retired after same owner wins 3 times. Congrats are in order to this busy club as BCOGA will be holding its first ASFA lure coursing trial on Sat., Feb. 10th, 2001. President Mickey Koss has also reported that AKC has the paperwork in hand to hopefully grant BCOGA the next level of match status.

In the fall there will be new back-to-back BCOA Trophy Supported shows held in Cumberland, MD in conjunction with Upper Potomac KC. Oct. 20, 2001 - Regular Judge Mickey Koss and Sweeps Judge Robin Sisson and Oct. 21, 2001 - Regular Judge Barbara Ewing and Sweeps Judge Anna Midgarden, DVM.

Region III—Steve Gross

Region IV—Laurie Kasowski

Since my last report in August, there has been one regional specialty held in Region four. BCNC held their Fall Specialty on October 21 in Pleasanton, California. The regular classes were judged by Mrs. Canalizo and Sweepstakes was judged by Barbara Todd.

BCOC had their Annual Match on October 15 in Santa Ana, California. There were over 60 Borzoi in attendance and everyone had a wonderful time.

BCOC will be having a trophy supported entry on December 16 with the Los Encinos KC, in Long Beach, California. The judge will be Ms. Dyane Roth.

Borzoi Rescue continues to be busy here in Region Four. At the present time, So. California Rescue has two Borzoi available. One 9-year-old bitch and an 8-year-old male. They have placed over 25 Borzoi so far this year.

On a personal note, this will be my last report as Region Four Governor. I have decided to take a break for a while. I have enjoyed being a part of the BCOA Board for the last 7 years. I would like to thank all of you for your support. It has been a rewarding experience and I treasure the friendships I have made. I am proud to have been on the Board when so many landmark accomplishments were made. To name a few: the creation of the National Borzoi Rescue Foundation, the AKC Borzoi Video, the Visualization of the Standard, the *Borzoi Connection* and the tremendous strides we have made in educating our members about the health issues affecting our breed. I am in no way taking credit for any of these accomplishments; just proud to be part of the team that brought them to the members of BCOA.

This is not goodbye; as always I plan to remain involved and attend as many Borzoi events as possible—hope to see you there.

Region IV—Chris Bradley

First, let me say how honored I am to have been elected to the position of Region IV Governor of BCOA. My sincere thanks to all who voted for me. I will do my best to represent our Region, our Borzoi and ALL the activities we enjoy with them. I would like to thank Laurie Kasowski for representing us for many years, with enthusiasm, impartiality and diplomacy. Yours will be difficult shoes to fill, Laurie.

Recent shows: BCOC held their Specialty on November 4th, in conjunction with the San Gabriel Kennel Club. This was a new date and location and from all reports, the location is spectacular, the weather was beautiful and the luncheon delicious. Karin Edmondson

judged the Puppy Sweepstakes and Donna Maharan judged the regular classes.

Future shows: On April 14th, BCNC will hold their Spring Specialty in Elk Grove, south of Sacramento. Lisa Cole of Sterling Borzoi will be judging Sweeps; and Pat Ide of Huzzah Greyhounds will be doing Classes. On July 26th, BCOC will be having their Summer Specialty in Lompoc. Helen Lee of Savladai Borzoi will be judging Sweeps; and Ron Spritzer of Spritzkof Borzoi will be doing Classes. Later this year, BCNC will hold their Fall Specialty on October 20th. Chris Bradley, Virshina Borzoi, will be judging Sweeps; and Jon Cole will be doing Classes. On November 3rd, BCOC will be holding their Winter Specialty in San Gabriel. Bob Torquato, O'Bobtor Borzoi will judge Sweeps and Gerda Kennedy will conduct the Kennedy Olympics! (Just kidding—she's graciously agreed to judge Classes).

On a sad note, those of us who knew Jack Boyd, Los Prados Borzoi, have learned of his recent passing. Jack was one of the founders, I believe, of the Borzoi Club of Northern California and was President for years. He was always cordial and hospitable and a quiet diplomat for Borzoi and for BCNC. Although inactive in Borzoi in his later years, we remember him with great fondness.

Again, thank you for entrusting me with your Region. I am available for comments, questions, ideas and yes, even criticism. I can be reached by mail at 145 Wildberry Lane, Cotati, CA, 94931; or by phone at 707-794-9392, or toll-free at 1-888-VIRSHINA; or by e-mail at Virshina@aol.com.

Region V—Kathleen Kapaun

The Whidbey Island November shows are supported by PSBC. The Saturday show is judged by Karen Dumke and the Sunday show will be judged by Kalen Dumke. Star and Rex Allen are retiring from Borzoi Rescue. They have spent many years in rescue and many dogs have found good homes from their efforts. I would like to thank them for all the time, effort, care and expense they shouldered. Rescue in this region has not been a small undertaking and I am

sure the need for rescue will continue.

Region 6—K.C. Artley

GCBC will hold its annual Specialty show near Minneapolis June 8, at Waconia, MN. Breed judge will be Wallace Pede. Sweepstakes judge will be Joel Chaney. GTCBC has its own web page, listing the club's members and describing the club's many activities, at www.hvalahounds.com/gtcbc

MBC may move its Chicago specialty to another date this year. MBC has a club page at www.borzoi.net/mbc. There will be BCOA & MBC supported entries at the Canfield, Ohio shows August 3-4. Edna Hanley is the trophy chairperson. The Borzoi judge on August 4 will be Michael Canalizo.

The BCOA educational pamphlets are now available on the BCOA web site, www.borzoiclubofamerica.com. You can print these pamphlets for your puppy buyers. They contain information for pet owners as well as for people who want to compete in conformation, lure coursing, open field coursing, obedience, tracking & agility. The obedience pamphlet discusses socializing and crate training puppies as well as obedience training. The conformation pamphlet has tips on grooming Borzoi. Printed copies have always been available from the BCOA corresponding secretary. The advantage of having these pamphlets online is being able to update them with the latest AKC rules, titles available and related links and addresses. The pamphlet *So You Want A Borzoi* answers basic questions about owning a Borzoi. *The Guidelines for Breeders of Borzoi* is also online.

Two years ago, I would not have guessed that all the members of my local dog club would be "online". When an issue comes up, it is e-mailed to the members. Comments are exchanged and if a vote is needed, we e-mail our vote to the president. The monthly business meetings have been eliminated, saving the cost of room rental, the mailing of meeting notices and our time and gas. Now we just get together for social events (Christmas party & summer picnic); and of course, the dog shows.

Two years ago when I joined the BCOA Board, I would not have guessed that today, 70% of the BCOA members in Region 6 are online, thus making it quicker, easier and cheaper for you to be informed. How long will it be before the *Borzoi*

Connection is not needed, when show results, club news and ads can be viewed on your home computer or TV? More and more Borzoi owners have their own web pages to announce their puppies for sale, brag about their dogs' latest wins and picture their beloved pets. Four years from now, will BCOA print another historical pedigree book like the 2000 Yearbook? Instead, perhaps BCOA will have an online database of Borzoi pictures and pedigrees.

AKC Delegate's Report—Karen Staudt-Cartabona

SEPTEMBER 12, 2000 MEETING

Since the majority of the Tuesday Delegate meeting was to be devoted to the Delegates voting on governance by-law amendments to the Constitution and By-laws, Nina Schaefer, chairman of the Committee, was introduced at the morning Delegate Forum. Mrs. Schaefer gave a comprehensive overview of the amendments we were preparing to vote on. She explained "that one of the main reasons behind these amendments was to update the by-laws and to eliminate existing inconsistencies. Other changes were recommended in an attempt to rearrange by subject matter, restructure, retitle and simple housekeeping changes."

She also explained the thinking and desired outcome of the proposed changes. Mrs. Schaefer then went on to give attending delegates a brief overview of the pending by-law amendments.

The quarterly meeting began with the introduction of the officers and the election of the new Delegate Standing Committee members. There were 329 delegates in attendance.

President Al Cheauré gave a brief lecture, parts of which I would like to include here: "competition begins with the breeding of purebred dogs and culminates in our many shows and trials. For those involved in our sport, we want to breed the best dogs, then we want to win with those dogs..." "We want to win but we recognize that winning is only valid if it is done within the precepts of fairness and stability. Winning at any cost is not consistent with our type of competition. If by such winning we denigrate the sport. We truly do

not win.”

Mr. Cheauré went on to discuss the Frequently Used Sire program, one of the benefits of which is, many commercial breeding kennels have continued on a sharp decline. They are publicly stating their opposition to the program and are boycotting AKC litter registrations for their dogs. The good news is that they are now down 40%! (Dog registrations in contrast are up 8 % since last year.)

We then went into discussion and voting on the revisions to the by-laws. The discussions and explanations became quite lengthy and at times evoked heated discussions from the floor, as the delegates struggled to understand the exact meaning of what we were voting for. For those wishing to read about these amendments and the discussions as recorded in the minutes, in depth, see the Oct. 2000 issue of *The Gazette*. It makes for interesting reading. The meeting itself went on to become one of the longest in delegate history. Many delegates who had afternoon flights, were forced to leave before the end of the meeting. This was too bad for the remaining delegates, many who had been patiently waiting to express their opinions in reference to AKC's newly instituted Multiple Sire Program.

The Multiple Sire Program was instituted by AKC after a discussion with the Parent Club Committee and, we were told, a wildlife veterinarian, who advocates multiple sires in wildlife to preserve the species, as the strongest sperm will do the impregnating.

After much discussion with my peers, I find that many are opposed to how this program was adopted, which is my objection. This type of breeding practice could be allowed (with DNA testing and a fine) if a bitch is accidentally bred, or, special permission given on occasions, as needed, perhaps in the case of an old dog who may not be fertile but still valuable, with a backup stud. But the multiple sire program should not be encouraged as the direction for purebred dogs and would indeed, as has been stated, encourage sloppy and careless

breeding practices.

It is also felt that this issue is too controversial and much too important to the fancy for the Board to have decided upon, without it having been brought to the delegate body for discussion and a vote. I did mention these oppositions to the Board during our BCOA conference call. I felt strongly enough about the issue to address the delegate body twice during the meeting. (See *AKC GAZETTE* Oct. 2000, p. 192 and p. 194.) In part “Breeding dogs is a sport and an art, ... cattle have multiple sires because they are breeding for meat and for money.”

Page 2 Sept. 12, 2000 AKC BCOA

Delegate Quarterly Meeting A straw poll vote was called for and then rescinded when it was realized that fully one half of the Delegates had already left the meeting. Since this meeting a proposal has been enacted to bring this to Delegate discussion in December.

As we left the meeting we were given a thick packet of proposed amendments to study and review (with our club officials) to be voted on at the December meeting.

I realize that at least two BCOA members have made use of the Multiple Sire program. I am curious as to the feelings of other breeders, pro or con. Please call

To date in 2000, 13 Agility Titles have been and 16 Borzoi have received qualifying scores in AKC Agility trials! I found it to be very exciting that at one trial in California, three Borzoi—all Champions—owned by 3 different people, all earned Qualifying scores (one in Novice, one in Open, and one in Excellent). Unfortunately, not all of these were BCOA members but what a nice showing for our breed!§

Borzoi Club of America Lure Coursing Statistics 1 January 2000 - 31 October 2000

To be included in the "Top Ten" lists for AKC trials and for ASFA trials, the first owner's name listed in the publication (*FAN* or the *AKC Awards*) must be a current member of the Borzoi Club of America. To calculate points: the dog gets one point for itself and one point for each dog defeated in its stake. The dog who wins BOB, by winning the runoff or by forfeit, gets additional points equal to the number of dogs in the other stake. No extra points for BIF. The second set of numbers displayed is the number of Best of Breeds wins. Best In Field wins and specialty trial Best of Breed wins are listed separately. Send corrections to K.C. Artley, 3706 W. BCOA Voluntary Health Registry The Year 2000 in Review

by Lou Avant, DVM

I am sitting here laughing as I review the first article that I wrote announcing the advent of the BCOA Voluntary Health Registry. I was so very proud and excited to announce that 28 people had participated in the Records Section of the Registry, sharing facts of both longevity as well as certain health difficulties. I was ecstatic about the fact that the Health Registry Committee had issued 28 Certificates of Good Health and people were ACTUALLY participating—this idea was going to fly!!

Let me share with you where we are today. In just a year the level of participation has more than doubled. Fifty-six individual dogs have been listed in the Health Records Section of the Registry. Over ONE HUNDRED Certificates of Good Health have been issued to our Borzoi: 22 Gold Certificates, 21 Silver Certificates, and 70 Bronze Certificates. One can only say WAHOOOOOO! and THANK YOU! (I just have to stick in a reminder about renewals here—hips count forever; the rest need annual renewals for updated certificates.)

The nay sayers have been few and the supporters many. Numerous breed clubs around the United States and overseas are beginning their own Health Registries using BCOA's Registry as their blueprint. The Canaans are in the talking stages; the Irish Wolfhounds are in the doing stages; and it is all because of US—Borzoi owners who were willing to take a chance and SHARE WITH OTHERS!!

THANK YOU!!§

Prints will be going out in January. I appreciate your patience. Thank you to everyone who gave a donation.

Bank Account: Balance is \$3,887.55. This will be down to \$887.55 due to a check being given to BCOA for the AKC Health Foundation. Details should be in the next set of minutes.

The seminar for the 2001 National is to be on Heart Problems. I have been trying to get in touch with the Cardiologist that will be doing the screening tests, but he has yet to return my calls. Hopefully we will have it firmed up soon. §

*Eligible to compete for BCOA Annual Obedience Award. Eligibility to compete for the BCOA Annual Obedience Award is by receiving qualifying scores in three or more trials during the year and by being a member, officially, before the qualifying scores are received. The average score will be determined by totaling the points earned in the shows, as specified and dividing the total by the number of classes specified.

Please, whenever your dog receives a qualifying score, would you drop a postcard in the mail to Edna Ogata at 579 Cotton Street, Menlo Park, CA 94025 or e-mail to eogata@seq.org. This would help me keep on track.
