We are changing from a status of 501C7 to 501C4, The change in status will enable us to receive more than 15% of our income from non-members. The BCOA website will be restored to its full function once our status has been confirmed. Shen apologized for any inconvenience that may have occurred when trying to find info regarding this year's specialty. The timing was not good, but was beyond our control.

Shen indicated that BCOA received over \$1,700.00 from the Purina Circles program. If you currently feed Purina and do not take part in that program, please contact Ginger Jones for information.

Maureen indicated that the Rescue website would be reattached to the BCOA website.

Maureen reported that the Rescue fund is lower due to the change in our tax status as we now need to deplete the funds yearly and disburse them to rescue groups. At the end of 2004, 10 rescue organizations received monies from this fund. Money collected during the year will be disbursed at the end of each year. Any 501C3 rescue organizations that could use these funds should contact Maureen.

A motion to approve the Committee Reports was made by Rebecca Peters-Campbell, with a second by Janice McMinn. MOTION PASSED

**Unfinished Business:**

Barbara O'Neill said that BCOA would like membership feedback regarding the Online Minutes. Should we require a password for viewing, or allow anyone to view?

**Discussion:**

Patty Hull was concerned that allowing anyone to view the minutes might open BCOA up to lawsuits.

Lynda Gillaspey agreed with Patty's concern.

Todd Brandtman thought that if someone has a motive to sue, they will find a way to access the minutes. He thought that ease of access to the membership was important.

Barbara O'Neill asked if the membership thought that the minutes should be online and not mailed out except to those that requested a hard copy. This could be changed once a year with the dues notice.

Toby Brandtman made a motion, with a second by Joe Rogers, that the minutes be put online only, with no password required.

**Discussion:**

Rebecca Peters-Campbell said that this would save BCOA a lot of money in postage and printing.

Cyndi Dell said she would like to read her minutes online and not having a password would make it easier.

Karen Mays was concerned that the Treasurer's Report would then be available to anyone. She suggested that this be excluded from the online minutes and sent out with other BCOA mailings as appropriate.

Toby Brandtman amended her motion to exclude the Treasurer's Report from the online minutes.

Terry Doane requested that an email be sent out to the membership when the minutes have been uploaded.

Barbara O'Neill indicated that the meeting dates can be published on the website in advance, and the membership would need to check the site a few weeks after the meeting date.

Joe Rogers asked if the minutes could be emailed to the membership.

Barbara O'Neill said that would not be efficient as people's email addresses changed too often and it would be too hard to keep up with it.

The vote was called, MOTION PASSED

Barbara O'Neill said that there are a few title corrections to some of the ads in the 2005 yearbook. Check your ads and let her know if there are any corrections needed. The corrections will be mailed out after the books have been mailed.

Barbara O'Neill reported that the Board is discussing ways of awarding grants to qualifying Juniors for secondary education or to attend Westminster or the Eukanuba Classic. We are hoping to have a policy by the end of the year. She asked that a line on the dues notice be added to include Junior members names as frequently their last names are not the same as their parents. Contact the Board if your Junior's name is not included in the membership list.

**New Business:**

The 2007 National Specialty will be held in Warwick, Rhode Island. Facilities Coordinator Rebecca Peters-Campbell gave a brief description of the show site. It will be an outdoor/indoor show site and has catered to many specialty shows.

**Judges for 2007:**

Regular/non regular classes - Barbara Binder  
Sweepstakes – Laura Hyatt

**Judges for 2008:**

Regular/non regular classes – Lena Tamboer  
Sweepstakes – Bonnie Dalzell

Tom Golcher asked about the turnaround time for the ballots. Lydia Pruett apologized for the problem and explained that the ballots had been sent to the mailing house timely, but for some reason they had not been mailed out. The mailing house had not asked the Treasurer for the postage check until Lydia checked with them regarding the status. Many members received the ballots timely, others did not. The ballot deadline had been extended to 4/25 to accommodate those that received them late. Lydia said she will work to make sure this does not happen in the future.

Karen Mays reported that the Eukanuba Classic will offer a contest during its telecast of the show. Viewers will be able to call in and vote for their favorite. The parent club representing the breed that wins the popular vote for BIS will receive \$10,000.00 and \$2,000.00 if their breed wins the popular vote for the Group. We need to publicize this and encourage people to vote for the Borzoi.

Joe Rogers asked for help breaking down the ring on Sunday. He said the hotel would be offering a complimentary made to order omelet bar that morning.

Rebecca Peters-Campbell thanked Joe Rogers and the Show Committee for putting on a great show.

Toby Brandtman thanked Barbara O'Neill for all her hard work.

A motion to adjourn the meeting was made by Dee Jones, a second by Sandra Moore. MOTION APPROVED. The meeting was adjourned at 1:40 PM CST
