BCGA TSE, Sept. 19, 2009

Sweeps entry was 8 and the class entries were 31.

PVBC Specialty, Oct 24, 2009

Everyone agrees that Mother Nature was very kind for the Potomac Valley Borzoi Clubs 30th Anniversary specialty show. The rain held off until after showing for the 21 Sweeps entries and the 71 Class entries that morning.

The Club provided wonderful trophies to celebrate the anniversary, a Meet the Breed Booth, tempting auction items and as usual a sumptuous lunch for all exhibitors to share.

After the lunch and auction, keeping dry under canopies, I held a Region 2 meeting with all assembled; informing them of recent items from the August Board meeting, encouraged participation and help for the Specialty in 2010 and taking a few suggestions from members.

PVBC TSE, Oct 25, 2009

The weather was much improved for the show on Sunday, giving all those attending an opportunity to enjoy the lush fall colors. Another good turnout this day with 17 entered in Sweeps and 51 class entries. The club provided special trophies for the TSE

BCOA TSE Kennesaw Kennel Club, Oct. 24, 2009

In sweeps there were 7 entries and there were 25 class entries.

BCOA TSE Decatur Kennel Club, Nov 7, 2009

At this writing, there are 7 entries in sweeps and 20 in the class.

BCOA TSE Greater Ocala Dog Club, Inc, Nov. 14, 2009

Entry numbers are not yet available but should be for the Board meeting.

Region 3 – R.Lynn Shell-Whitlock

Region 4 – Lorrie Scott

I had the pleasure of attending BCNC's winter specialty. It was a lovely show and well attended. Congratulations to all the winners. Their members worked very hard and it showed. Great job on a successful show. I gave an update at their meeting to those who were BCOA members about the happenings with BCOA. There was a discussion from several members about the proposed changes to the triathlon. The feedback was quite favorable.

I will be attending BCOC's meeting on October 31 and speaking with them regarding the proposed changes to the triathlon as well as the changes to BCOA Constitution that were passed.

BCOC will be having a trophy supported entry Jan 8, 2010 with the Inland Empire Hound Club in Indio. Regular class judge will be JoAnne Buehler and sweepstakes Patrick Garcia. Group judge will be Carol Spritzer.

With the holidays upon us I hope each member has a safe and happy holiday season and may the New Year come in with a smile, good friends and cheer all around.

Region 5 – Jim Anderson

Hope everyone enjoyed a great summer. It appears that it is about over and fall is in the air.

I hope that everyone has received their copy of the revised BCOA Constitution and By-Laws. I want to say this was a bigger task than most would think and Barbara O'Neill deserves a huge "Thank You" from us all. I think these revisions really help and have cleared up a few fuzzy areas. On a personal note I was pleased to see the majority agreed on the importance of keeping the Life Membership in place.

I also am sure you know that Robin Riel has been nominated for the Region 5 Governor's position. If elected (I am not sure if any members have been, or will be, nominated by petition) I think she will be an asset to the Board, and will represent the Region 5 members extremely well.

As I mentioned before I will be attending the November Board Meeting and will be happy to present any accolades, or concerns, specifically regarding BCOA.
