2021 Scholarship/Award Proposals For Our BCOA Junior Handler Members - :

(Membership reminder: On April 2, 2016, I presented the BCOA Board of Directors the following proposals for additions for BCOA Junior Handler program. These proposals were discussed at the next BCOA board meeting following my submittal that year, and unfortunately at that time the board made the decision to not move forward on any of these below listed proposed programs).

My hope is that in 2022, our current board will take the time to review (and hopefully) recognize the value of these proposals as tools for supporting and rewarding the young people in our junior program who not only handle our breed, but in addition contribute to their community while being successful students. I am hoping that the BCOA Board will address my proposals (summarized below) at their upcoming board meeting, and then will hopefully bring them before the general membership for a vote at the Annual Meeting this April. I strongly believe that these proposals provide a wonderful opportunity for the BCOA to demonstrate to our junior member handlers the club's encouragement and support for the time and effort that they put into the breed. After all, as I have repeatedly stated throughout the years, these young people are the future caretakers of our much-loved Borzoi breed!

1. JUNIOR ACHIEVEMENT AWARD -

This award is designed to recognize young people for their varied interests with Borzoi, and to encourage well-rounded participation in all facets of dog ownership. An award will be given each year by the BCOA to the one junior, who in the eyes of the BCOA Board of Directors most fulfills its basic premise. The Junior Showman Chairperson will review all applications and will send the resumes to the Club President for Board distribution and decision. *(Please note: A junior may win this award only once during his/her junior showman career).*

Qualifications:

1. The junior must be between 10 and 18 years of age for the year being nominated.
2. The junior, his/her parents, or sponsor must be a member in good standing of the BCOA.
3. Consideration will be given to any dog-related activity with a Borzoi, such as, but not limited to:
 - * Conformation, obedience, agility, coursing, therapy, rally, etc.

BCOA 2023 National Specialty

Founders Inn and Spa

Virginia Beach, VA

April 22-29, 2023

1. Reservations have been made for all judges and for the Board members who responded by the date required by the hotel for making reservations prior to the official opening date. NOTE—Setup and takedown must occur on very short time lines. These activities will require the help of all Board members and any volunteers that we can recruit. It will require "All Hands on Deck" on Monday, April 24 and Saturday evening, April 29.
2. Outdoor setups can occur prior to Monday, April 24, 2023. I will be attending the 2022 Bearded Collie National Specialty in October and will contact various hotel-preferred companies regarding tenting and auxiliary power (generators) for the outdoor grooming area. I will be getting information regarding costs, setup and takedown. I also plan to explore what arrangements have been made for the Bearded Collie grooming indoors, including space, restrictions, power distribution and costs. Outdoor setups also include space for the POD and for bathing. I will be meeting with Anne Goessling (hotel services coordinator) and Stephanie Marques (reservations).
3. I plan to discuss with Anne Goessling the hotel's meal and other refreshment services during my visit. No food trucks are available in the Dendron, VA area for lunches for the field events. I will discuss logistics of providing food and beverages to the field.

4. I will also be determining the extent of plastic-covered surfaces required for the Beardies and how they handle this requirement.
5. The following judges have returned contracts or will do so shortly: Russell Hornfisher for Obedience and Rally; Eddie Kominek and Donna Rogers for ASFA Lure Coursing; and Selma Kominek and Julie Cramer for AKC Lure Coursing, Lure Tests and QC Tests. Judges for DC Stakes and Stud Dog & Brood Bitch Classes have not been selected at this time.
6. The BCOA Specialty Photographer is Steve Surfman.
7. Selection of veterinarians and veterinary technicians for Health Clinics are in progress with potential candidates identified. A speaker for the Health Webinar has been identified. A topic for the Member Education Seminar is under discussion.
8. Rhonda Robbins has been working hard as Chair of the Hospitality Committee. She has some great ideas for center pieces for the two dinners. She is also working on the Welcome Bags and on the dinner favors. She is also making preliminary plans for a borzoi/companion/costume parade, followed by a casual "beach party" for Friday evening.
9. Torie Cassano has identified the volunteers who will be making up the field committees for the performance events. ASFA and AKC lure coursing will be held at the Dendron, VA field of SHOT (Sight Hound Association of Tidewater). There are currently two locations under consideration for LGRA: the SHOT field and a horse farm in Chesapeake, VA closer to the hotel. Susan Cecere is co-chair for LGRA. There will be a \$50 charge for use of the portapotty plus whatever the cost is for emptying it. There is a cost of \$100/day for rental of the field from its owner Lori Sebritz. The rental fee for SHOT equipment is \$2/dog entered with a minimum of \$50 per event. If LGRA is held in Chesapeake, Anne Midgarden will bring her drag equipment and Torie Cassano has obtained a promise for the other required equipment.
10. Dean Eelman is writing two articles for the Aristocrat promoting obedience and rally.
11. Caryl Dumaine has agreed to be the Auction Chair. We are considering making the event entirely online in advance of the Specialty. Alternatively, we are considering making most of the Auction online with only a few select items offered at the Specialty but with online bidding.
12. We have tentatively identified a chair for trophies and are working on details at this time.
13. Laurie Courtney will be working with Corissa Fanning on the Vendor Committee.

In light of the website Bonnie D posted about on the IO list, I want to propose the BCOA make a public page for breeders to voluntarily participate to place puppies and adults.

I'm busy so am including some conversation from messenger to share my perspective on the subject.

** The breeder info is all I was really talking about. I think people use the internet and seeing the breeder info on BCOA site vs having to contact a Secretary or whoever to get a list/names would be great way to streamline the process for puppy buyers. Just like this site, it would be the breeders initiative to request being on the list. I do think that site is much easier to navigate too. I don't do that kind of work (designing a website) but as a user, it's jmho. 😊

** But why - If at the breeders request? They obviously aren't worried about it as there are many BCOA members listed on that website. Did you look? I did a random inquiry on a few states, everyone I did had a bcoa member listed. How else are people supposed to place puppies?

** No, it was just an observation based on this website posted by Bonnie recently. I'm not really breeding anymore but I will send to my Governor because I think the time has come. I'm not a youngster either, lol, but I realize the place the internet plays in our lives. Any who object to voluntary participation to a breeder page on the BCOA site are in denial of reality in this day and age.

>>> It's an opportunity for preservation breeders to educate the public, we shouldn't be shy about it.

NONE of our info is secure if loonies want to find us. 😊

Thanks Kim and all the board for your energies and efforts!
