

Hethivar Diamond Baymiller

Male. Self red with white trim
 Whelped June 10, 1969
 Bred by M.C. and S.W. Cox

Owner: Marge and Sid Cox
 Cupertino, CA

Bay is from Hethivar's "Diamond" litter which was the result of a carefully planned breeding. Each pup in the litter was a perfect "gem" and two already wear the champion crown. Sweet dispositions and superb conformation are only two of the gifts bestowed upon them by their sire and dam.
