

# AVIANN

## Aviann Winterquiet Flame

January 26, 1989

Breeder: Owner and Pamela Hall

Male

White and Cream

Winter, pictured at six months and pointed from the puppy class, is glowing with promise from his darkest eye to his low tail. He has full dentition, scissor bite, a thick curly coat and sound fluid motion. Already successful at matches, Winter is eager for the 1990's.
