January 1, • 1986 Breeder: Owner Female White and Apricot

Angela San Paolo 752 River Road Trenton, NJ -08628 (609)883-4743

Senta, pictured at 16 months, is out of our "Chicklet" litter. She finished at 18 months of age. Her sound efficient movement is complimented by superb musculature and fidelity to the aesthetics of breed type. She is an exemplary "blending" of two great bloodlines. Senta is our happy "Hybrid Vigor" girl. Majenkir Grand Noble
