 Howell, MI 48843-9212  
 (517)546-1355

Draco meaning 'The Dragon', a constellation created by Athena, "Kip" is out of our second litter, co-bred with Majenkir. Like both parents, Kip has outstanding conformation and movement. Pointed during his training stage as a puppy, he is still waiting to start his show career and is very keen on the lure.
