“Marla” has been an important addition to our kennel. She was Best In Futurity at the 1992 National Futurity and was Best In Sweepstakes at the Heart of Florida Specialty. She finished in one show circuit with four majors and was BOS at the Borzoi Club of Greater New York in 1993. She was Award of Merit at the 1994 BCOA National Specialty and at the 1994 BCGNY Specialty. We plan to breed Marla in 1995 with hopes she will pass on her wonderful attributes to future Po Dusham litters.
