Seattle, WA 98108

(206)439-7543

Jones was a multiple Best of Breed winner and a speciality winner, following in the footsteps of her sire and dam. She produced a specialty winner in Isadora D (Dee Dee). Even long after her show career was finished, whenever I went to visit her at her home, Jones would be standing in the bath tub waiting to be bathed for a trip to the show, with a big toothy smile on her face. God, aren't memories wonderful.
