Coming into her tenth year, Isalute "Icy". She still rules here. She finished her Australian Championship at just over one year and later came home with me to America along with four other close relatives. Very limited showing here, she finished easily with four majors. Icy has produced well and her produce continue to win, including Ch. Sky Run Cordova Tellus (four specialty wins) and Ch. Cordova Mishkova Tauskey, Group III and BCDV Award of Merit. PVBC Award of Merit in 1994. Icy's litter sister, Ch. Podarn Idylla was a triple specialty winner.
