Lucy:
Obedience Top Ten, 1991 - 1992

Rescued from the worst of conditions, Lucy was considered a hopeless case and was the brunt of many jokes for over a year. The laughter stopped when she stepped into the ring and repeatedly outscored all of her classmates. She has multiple obedience placements, High Scoring Borzoi, High Scoring Hound and is trained through Utility. Lucy is Dreamer's best pal and the owner of a very large piece of my heart.
