Just one of the stars of an all-champion litter of 8, Sequoia finished in 11 shows with 4 majors. His excellent structure, substance, movement, bite/dentition and sweet, outgoing temperament has captured the hearts and imagination of longtime breeders and novices alike worldwide. Breed worth is proven in the whelping box and I am looking forward to his first litter this year. OFA Good/CERF Clear/MSU Thyroid Normal/EKG Normal.
