“Mitzka” is our special boy with beautiful type, strong, arched neck, divine sound floating movement, full dentition and a scissors bite. Mitzka won the PSBC match his first time out at the tender age of 6 months. Now he has a BISS to his name, a BOB and a BOS at the Canadian Western Gazehound Club Specialty, three specialty AOM, and group placements in both the U.S. and Canada. He is the sire of our very promising litter of two.
