The power & the glory that is “Romeo” (quote from a fan!). Romeo became a benchmark for many things to me & taught me much about balance & the blending of strength & beauty. Multiple group winner/placer, MBISS winner in both U.S. & Canada, was in the Top 5 in both countries. Produced MBIS/MBISS/Specialty-winning get. Now a dignified 10-year-old. Scissors bite, full dentition, thyroid low.
