Kobie is one of those "once in a lifetime" dogs who puts his whole wondrous personality into everything he does. This magnificent dog has commanded attention both with his good looks and athletic talents in the agility ring. His endearing temperament and sense of humor have made him an exemplary therapy dog and he was one of those who gave support to those affected by the 9-11 disaster. Kobold is a champion, an athlete and above all, a true gentleman who holds my heart.
