A regal princess to the core, Myka has a proud determination to do things her way. With specialty class wins and placements and as she nears the completion of her Am. and Can. titles, Myka has demonstrated that beautiful balance and a smooth, effortless gait come easily to a gal who will do things when she is good and ready. Cloaked in a thick, luxurious coat, Myka has a noble bearing that demands notice, summarized precisely in the simple words of one judge: "She's outstanding." Myka is a real snuggler and can be counted on for comedic relief when it is least expected.
