Hot Rod more than surpassed our expectations being the 2004 #1 Borzoi in Canada, 2004 Borzoi Canada SBIS winner, multiple group winner and the 2003 BOS BCOA National Futurity Winner. More important, Hot Rod is a gorgeous boy - luscious coat, substantial bone, lovely headpiece with wonderful expression and the sweetest temperament imaginable! He has sired three litters including our most recent that produced the 2009 National Futurity winner Zooropa Laureate Adrienne Picture This (Wynn).
