

BORZOI DEL SOL

Avalon Tigress in the Dark, JC, FCh., GRC, CC, CM

9/28/2004 Breeder(s): Sandra Moore Female Black, Brindle & White Susan Van de Water & Sandra Moore PO Box 4766 Midland, TX 79704 432-570-0373; borzoidelsol@yahoo.com

Tigress has been a revelation in the open field. She did well in lure coursing and extremely well in straight racing but she completely came alive in the open field. She ran equally with Greyhounds and Salukis, anticipating every turn, doing what Borzoi were bred to do: hunt. She is a sweetie at home and is very much like her sire, Darkling, a true ambassador for the breed. 2 majors.
