“Olivia” is the newest addition to Mystic. She is pictured here at 16 months at the 2008 BCOA specialty, placing 2nd to the RWB under Lena Tamboer. She has taken some time off to mature but already has 12 points and one group 2nd. Her lovely head and expression just melt your heart while you are trying to scold her for being mischievous. She is dead sound coming and going and her side movement is breathtaking. She carries a beautiful coat part of the year.
