Alfie won the American Bred class at the 2008 Sacramento National Specialty. He is an upstanding, well-coated handsome dog that exhibits elegance and style. His correct topline, great depth of body, long strong neck, lean head, small ears and kind eye are integral to breed type. His very easy, smooth movement with good reach and drive is especially nice in a male. He is joyful in any situation, yet is very calm and trustworthy with puppies. He is proven, with a stunning daughter, Trillion. OFA.
