We are thrilled with April. She has flawless movement at any speed. Gives me goose bumps watching her trot or run full bore in the yard. Lots of personality—"it's all about me". Shown only a handful of times April has some impressive wins: 1st 6-9 puppy 2011 BCOA national (Amy Sorbie); 2012 BCOA TSE BOSSweeps (Tim Robinson); 2013 GTCBC WB/5 pts (Jim Sillers). With her health clearances complete, we are looking forward to an exciting breeding this year.
