## **SOKOLOW**

## Int. Swiss Ch. Odaliska du Grand Fresnoy

August 7, 1998 Breeder(s): Marie-Hélène Combis Female Silver Brindle and White Gabriele Schmid Buelerweg 9 Truttikon, 8467 Switzerland +41-52-301-24-64; gaby@sokolow.ch

Liska is the foundation of all my present Borzoi and generations to come. She was a very special lady with her own strong character and much loved and respected by her offspring. She was the queen at home. I am very thankful for what she gave me and she lives on in her wonderful descendants. She reached the age of twelve years and we still miss her a lot
