Black sable spotted on white

Tomomi Mikawa

PO Box 261

La Canada Flintridge, CA 91012-0261

310-504-1521; tomomi.mikawa@gmail.com

“Lavinia” is a product of two breeding programs that have shown consistency for a century combined. She possesses balance, elegance and power like her mother, our foundation bitch. At four months, she amazes us with her exceptional ground-covering movement and fearless personality. Truly a dream-come-true puppy and our hope (=“Esperance”).
