When Sagan arrived at Karitonova as a 12-week-old pup, I always had plans that he would be bred to Sephora. Fast forward to July 2023 and we welcomed ten puppies into the world. Sephora, nicknamed “Mother of the Year”, was the most devoted dam we have ever had. Four of the littermates are presented in this publication. We are so proud of what their owners have accomplished so far and can’t wait to see what the future holds!
