

2023 BORZOI FUTURITY

sponsored by

BORZOI CLUB OF AMERICA, INC.

The Futurity is open to all Borzoi puppies, bred by a BCOA member, whelped between November 26, 2021 and October 26, 2022 provided the following requirements are met:

ELIGIBILITY

1. Breeder of nominated litter must be a BCOA member in good standing and must remain as such throughout the duration of the Futurity.
2. Bitches must be nominated after they are bred and before whelping, for a fee of \$5.00.
3. The owner or agent of the bitch must nominate the AKC registrable Borzoi litter, whelped to the nominated bitch, within 30 days after whelping, for a fee of \$10.00.
4. To continue in the Futurity, each puppy from the nominated litter (but not necessarily all puppies from the litter) must be individually nominated by their owners at the age of three months and re-nominated every three months thereafter for the fee of \$5.00 for each puppy nomination. Owner need not be a BCOA member.
5. Nominated puppies that will be under 24 months at the 2023 BCOA Futurity are eligible for that Futurity by continuing the three-month re-nomination. Classes for the Futurity range from six months to under 24 months of age.
6. Puppy nominations not paid by the due date will be assessed a \$5.00 penalty fee. Nominations delinquent more than 30 days will be considered dropped.

JUDGING

The Futurity judging will be held on Tuesday, April 25, 2023 during the 2023 BCOA National Specialty in Virginia Beach, VA, as a BCOA event.

Beginning 2019, all Futurity entries must be micro-chipped before entering the ring.

The judge names will be submitted by the breeders of the nominated puppies that are still nominated on October 26, 2022. There shall be only one nomination per breeder/co-breeder regardless of number of litters. Definition of breeder shall be the member signing and submitting the Bitch nomination form. Breeders may submit the name of any person in good standing with the AKC who has bred or co-bred a minimum of one Borzoi litter and does NOT fall into the following categories:

1. Breeder/Co-Breeder (or spouse/family member) of a nominated litter.
2. Owner/Co-Owner (or spouse/family member) of a Stud Dog that sired a nominated litter
3. Owner/Co-Owner (or spouse/family member) of a puppy for a nominated litter.

The Futurity judge shall be selected by two secret mail votes of the breeders of the nominated puppies, from those names submitted by the breeders. First ballot - one vote per litter. Second ballot - one vote per breeder/co-breeder regardless of number of litters. Ballots will be counted by an independent tabulator. Judge shall be contacted in the order of the greatest number of votes until one has accepted.
