College of Veterinary Medicine and Biomedical Science
Texas A&M University

Thursday, 28 April 2022:

- * **Cardiac exam (echocardiogram), including OFA form**
Ashley B. Saunders, DVM, Diplomate ACVIM (Cardiology)
Sonya Wesselowski, DVM, MS, Diplomate ACVIM (Cardiology)

BY APPOINTMENT ONLY – sign ups available starting Tuesday 4/26/22
OFA cardiac forms will be available at the Health Clinic Table.

<p><i>BCOA Members: \$105 per exam</i> <i>All others: \$155 per exam</i></p>
--

- * Due to anticipated demand, echos are limited to TWO per household.
A waitlist will be maintained.

Thank you to all the generous donors to the BCOA Health Fund to help offset
the full expenses associated with these clinics.
YOU are the reason we can offer these clinics for borzoi at a substantial discount.

Health Webinar – Cardiology research & best practices: _____

Wednesday evening – topic:

Borzo research updates & overview of best practices
Sonya Wesselowski, DVM, MS, Diplomate ACVIM (Cardiology)

Dr. Wesselowski is a veterinary cardiologist with advanced training and expertise in the diagnosis and treatment of cardiovascular disease in animals. Her position as an Assistant Professor in the Department of Small Animal Clinical Sciences at Texas A&M allows her to spend time as a veterinary clinician, resident mentor, teacher, and a clinical researcher. Dr. Wesselowski's research focus involves echocardiographic imaging, degenerative mitral valve disease and congestive heart failure.
