BCOA Regional Reports

Region 1—Fred Edlin

In my first 33 days on the Board, there is very little to report. We are looking forward to the specialty weekend in April of the BCDV and BCGNY specialties, and I am hoping at some time during that weekend to have a short meeting or forum to see if Region I members have any concerns for me to bring to the Annual Meeting and associated Board Meeting. Otherwise, things are fairly quiet in the Northeast.

Region 2—Alice Reese

Everything in Region II has been quiet since the last Board Meeting in December. The Heart of Florida Borzoi Club will be holding a match in February. On May 2nd and 3rd there will be shows in the Atlanta area with a Match May 2nd at the Classic City Kennel Club. The judge is Karen Dumke with Sandra Moore judging the match. Congratulations to the Greater Atlanta Borzoi Club on their first B Match. The next day with the Classic City Kennel Club will be judge Donna Maharan.

We are all eagerly awaiting the National in Racine and anticipate many from our region being participants...and hopefully being winners!

I would appreciate it if the clubs in our region would please keep me up to date on matches, supported shows and specialties.

Region 3—Rhanda Glenn

The Broad Hock Ballot did not pass again, not enough members voted - Again.

Anne Rogers Clark has declined the acceptance for the 1999 National. Dr. Fred Edlin has accepted that assignment with Mrs. Barbara Skinner doing Sweeps and Veteran Sweeps.

The new *Borzoi Connection* is "GREAT". What an effort. I still haven't put mine down. Deadlines for the Spring issue have closed already, but it's not too early to be thinking of the Summer issue.

Not too much else going on in the Region. Please contact Carol Enz if you would like to work on the 1999 Nationals.

Region 4—Laurie Kasowski

Since my last report on December 6, 1997, there has been one regional specialty. The Borzoi Club of California held their Winter Specialty in conjunction with the Los Encinos Kennel Club in Pasadena, California. It was well attended with an entry of 75 Borzoi.

1998 will be the 50th year anniversary for BCOC. They are planning a special celebration at their summer specialty on

July 23 in Lompoc. A special commemorative medallion has been designed, a ringside luncheon for Borzoi exhibitors and spectators is being planned and lovely exhibitor pins will be given out. Mrs. Gloria Reese will judge the regular classes and Edd Abblett will judge the sweepstakes.

BCOC will be supporting the entry at the Western Hound Classic show June 26, 1998 in Long Beach, California. Judges will be Valerie Hamilton Preston for the regular classes and Harry Tufts for Sweepstakes.

BCNC held their Spring Specialty in Elk Grove, California on April 11, 1998. Betty Stenmark judged the regular classes and the Sweepstakes judge was Lionel Kranitz.

Judy Lofgren, So. Calif. Borzoi Rescue, reports that there are two Borzoi currently in rescue that need homes. Meesha is a three-year-old red female who is very friendly but would be best placed in a home that doesn't have cats. Rambler is a 7-year-old house-trained tri-color male.

I would like to take this opportunity to thank all those involved with the Borzoi clubs' new cooperative magazine, the *Borzoi Connection*. The inaugural issue was such a quality magazine and is truly making the world a smaller place by connecting all of the Borzoi clubs' news into one magazine. A standing ovation to Shen Smith, Helen Lee and Barbara O'Neill.

Region 5—Kathleen Kapaun

We had a good turnout for our regional meeting in October. Fourteen members and four guests attended. Discussions included the "Broad Hock Ballot", changes in the constitution and fund-raising for National Specialties. Also, the need for everyone to vote on issues brought before the membership.

Jerry Moore, Chairman, and Ann Bowers, Co-Chair, will be hosting a TSE on May 23, 1998 in conjunction with the Spokane Kennel Club show in Spokane. Conformation judge is Pat Murphy and Sweepstakes judge will be Larry Sinclair. I believe this show will be back to back with shows at Coeur d'Alene, Idaho. We will have a short regional meeting and refreshments on the show grounds.

The BCOA Board held its December

meeting. We had a full agenda and accomplished many things. The following committees have been hard at work and submitted their projects for Board approval:

Visualization of the Borzoi Standard - consisting of Nadine Johnson, Barbara Lord, Pat Murphy, Alice Reese and Patti Neale have an excellent booklet prepared.

Judges Education - Lorraine Groshans, Marilyn Polsfuss and Patti Neale established

written guidelines.

Coursing Pamphlet - Karen Ackerman, Lynn Green, Gene Hill, Roger Skeldon and Kathleen Kapaun. All projects were approved and will be available in time for the National.

National Borzoi Rescue Foundation (NBRF) has a toll free number (888) 264-8898. Please keep this number handy to give to anyone interested in adopting a rescue Borzoi.

In closing, I would like to thank all who have chaired or co-chaired a TSE. Also, all who have attended our regional meetings sharing ideas and discussing matters of importance to you. Please continue to contact me if I can be of service. Best wishes for 1998!

Region 6—Kalen Dumke

The up-coming Spring Specialty preparations are in full swing here in Region Six. Two months later is of course the 1998 BCOA National in Racine, WI. Every year the National just gets bigger and better. We have the Show Committees to thank for such cooperative efforts from year to year. The Committees are willing to share and network with each other, and learn by their mistakes. Ardietta will have another report about the details of the National. The Marriott promises to be a wonderful setting for the show. I've driven through the grounds. It is quite lovely.

It appears that we will be having several supported entries this year. One will be in Cincinnati, Ohio on Memorial weekend - the "Borzoi Roundup" with match, obedience and several days of shows, and

Introducing the Borzoi Coverlet

This beautiful coverlet was commissioned by Borzoi Club of America, designed by Ardietta Thompson and created by WeLoveCountry. It is 100% cotton, three-layer Jacquard woven in the U.S.A., preshrunk, colorfast and machine-washable. It is handsome and practical, measuring approximately 48 x 68 inches and fringed on all four sides.

The design captures the Russian heritage and spirit of the Borzoi. The perfect gift that will become an instant keepsake.

This unique, custom-woven coverlet is available in the classic color combination of black, gold, burnt orange, marine blue, ivy green and natural. The price is only \$55.⁰⁰ but the perceived value is much higher. You may reserve your coverlet by sending your check, payable to BCOA, to Marilyn Polsfuss, 10031 - 122nd St. North, Hugo, MN 55038-9428, (612) 439-4959

Health Committee Report by Lou Avant, DVM & Alice M. Reese

The Health Committee has opened an account for the BCOA Health Fund. This fund has been established to take contributions that will be used to donate to research in areas that are of importance to the health of our breed and to defray costs of speakers at the nationals who speak to health concerns. Donations welcome!!!! Send to the BCOA Health Fund c/o:

Alice M. Reese, Co-Chair
5200 Sandpiper Lane
Birmingham, AL 35244

Checks payable to the BCOA Health Fund.

We are looking for input for fund-raising events—any ideas and volunteers are most welcome. On yet another topic, we would like the members to let us know what topics they would like to see Lou Avant DVM address in her articles in the Borzoi Connection. If any members have an article they think is relevant to health, please send to: Lou Avant, DVM, 3790 Michael's Way, Cumming, GA 30130.

We are looking forward to Dr. Larry Glickman speaking at our National on the subject of Bloat. He heads the study on Bloat being done at Purdue University. There is so much

information and misinformation on this problem. He will be speaking on Friday night to enlighten us on all the latest research findings.

We would like to thank Shen Smith & Maureen Bardwell for their recent donations to the Health Fund.

There have been many suggestions of interesting ways to donate. Some are donating \$5 for each puppy in a litter they have. Some are donating in the memory of a loved one or a special dog they have lost. Some are just donating because they believe in the future and health of our breed.

From the Editor

In Botswana when people greet each other they say: "Dumela." "Dumela, le kae?" "Ke teng. Oena le kae?" "Le nna ke teng."

This conversation is comparable to our, "Hello, How are you?" "I am fine and you?" But it literally translates as "Hello, where are you?" "I am here; where are you?" "And me, I am here." It suggests that being fine is intrinsically tied to a sense of place.

In my little town the old hotel, where William Jennings Bryan stood on a balcony and campaigned for the gold standard, is gone; the Arts and Heritage Building (the town's oldest school building), where the night before Tim had been part of the premiere of a play written by the philosophy professor, where next week the English professor, whose house and car are now destroyed, was to read from his most recent book of poetry, where artists had studios and held openings, is gone; the Community Center next door (another old school house), where some very lucky volleyball players had cancelled their game, is gone. The Catholic Church is destroyed, and the Lutherans across the way fared no better. Of the 2,500 homes in town, 500 were destroyed, 700 were left uninhabitable and 800 had significant but repairable damage. That doesn't count the apartment buildings, the businesses, or the schools. Our college is devastated. Never in the history of America has a college suffered so much damage. I used to love to drive into the valley and see all the spires. There isn't a spire left in town; gone, along with all the other church spires, is the spire on Christ Chapel at Gustavus Adolphus College, gone is the tower on the court house and the old fire hall. Our legislator who had toured Bosnia, said he saw no destruction there like

Your Dog Library

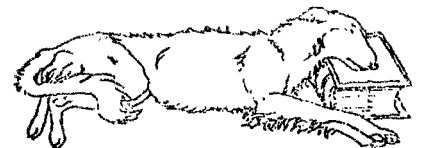

Dog Eat Dog, A Very Human Book About Dogs and Dog Shows, by Jane and Michael Stern Scribner, 1997

This book was written by and for those outside the dog game but it is interesting to see ourselves as others see us. The authors follow a year in the dog show whirl with a Bullmastiff breeder. Along the way we enter the world of professional handlers, experience the joys and disappointments of breeders, and encounter some delightful characters. We share the hype and thrill of Westminster and the intensity of a specialty as we travel the dog show circuit. We nod knowingly at the beautiful conformation dog who is retired because he refuses to strut his stuff and prefers to rule the world from the couch, and we empathize with the breeder with limited resources who must compete against the dog whose picture graces every dog magazine and whose campaign resources know no limit.

There are either personality differences that accompany the owners of various breeds, or else, by selection, I have avoided meeting some of the rude and crude crowd that are depicted here. Although some impolite comments are definitely made and duly reported, in at least one instance

I think the authors misinterpreted one handler's remark to another. The handler in question commented to his opponent that he noticed that he hadn't clipped his nose hairs for this specialty either. The author assumed it was a crack about the human's personal grooming, while I think the other handler was referring to the whiskers on the dog.

The tenseness of ringside is well presented, although the snide remarks stated just loudly enough for all to hear and the bitterness between competitors seems exaggerated. Maybe I have been spoiled by "Minnesota Nice." At every show the judge is labelled a complete ignoramus until he puts up the speaker's dog, which inevitably raises his intellect at least fifty points. But through the reporting of all our peccadillos, there is one thing that comes through and that is the love and

he witnessed in St. Peter. Ours is one of the oldest towns in Minnesota. It was to be the capital, but a renegade legislator from Bemidji stole the bill on the last night of the session. The square which was to house the capital is a huge park now. A park where 80 huge shade trees used to stand. The bleachers where I was to watch my daughter graduate from high school in two months are twisted into some perverse giant slinky toy. In a few minutes a tornado tore the heart

and soul out of our community.

Eighteen thousand trees are gone. We're back to prairie. The town looks like it did 130 years ago. But that's not my town. I want my town back. We're supposed to be thankful—there wasn't a great loss of life, one little blonde, six-year-old boy sucked from his parents van, an older farmer in a neighboring community, but each time I drive to town I am filled with emptiness. To be included in the "Top Ten" lists for AKC trials and for ASFA trials, the first owner's name listed in the publication (FAN or

the AKC Awards) must be a member of the Borzoi Club of America. To calculate points: the dog gets one point for itself and one point for each dog defeated in its stake. The dog who wins BOB, by winning the runoff or by forfeit, gets additional points equal to the number of dogs in the other stake. No extra points for BIF. The second set of numbers displayed is the number of Best of Breeds wins. Best In Field wins and specialty trial Best of Breed wins are listed separately. Send corrections to K.C. Artley, 3706 W. the psychiatrists and psychologists e-mail us telling us how to cope, even how to cope with our guilt at not being as bad off as others.

The Key City Kennel Club centered in nearby Mankato usually holds their show on the St. Peter Fairgrounds, now in ruins. The board met to decide on a new site. Three neighboring fairgrounds were offered. Committee members drew up sides depending on their own political

agendas. "That's too far for my stewards to drive." "It will be too hard to cart the flowers that far." The one committee member from St. Peter who had lost her house and her grooming business stood up and told them she was leaving if they didn't stop this bickering immediately. She related this story to me at dog show one week after the tragedy. She went to the show after a week of salvaging and dealing with insurance adjusters—to seek normalcy, to laugh, to enjoy her dogs, to be with friends. The

same reasons we all should go to dog activities, not to fight, not to be angry or sad if we don't win or get our own way.

I thought that cancer had pretty well straightened out my priorities for me. But in paring down my priorities I had to be reminded that although my family and friends are most important, you can not underestimate the importance of a sense of place. My life was entwined with those buildings and those who lived, played, and

Open Field Coursing

Submitted by Karen Ackerman

Borzoi were functionally evaluated at open field coursing trials held in the states of Wyoming, Nevada and

California during the 1997 coursing season. Blacktails were used in Nevada and California while the whitetails were the quarry in Wyoming. Only one Borzoi was able to obtain the coursing titles this year, which attests to the difficulty of these tests.

NOFCA Top Ten for 1997

1. FC Mayberry's Aurium of Ryhka, LCM III, FChX, SC, SOR, CM - Diana Darling/Paul Anuta 64.5
2. Pickle Hill's Abigail Adams, JC, CC, CM - Sally Barron 64
3. FC Kristull Neon of Ryhka, Am. Can. FCh., SC - Diana Darling & Paul Anuta 30

With regard to the top ten for open field coursing, these ranking only reflect those BCOA members participating in NOFCA hunts and are not reflective of all Borzoi involved in open field coursing throughout the United States. These statistics were submitted to me by Kathy Kelly, NOFCA Recorder, and are the results of hunts held from January 1, 1997 through December 31, 1997. Submit any corrections to Karen M. 1997 Final Standings for BCOA Junior Showmanship

Results are based on the AKC Gazette Show and Trial Results (from January 1, 1997 to December 15, 1997)

As the new junior showmanship chairman, I would first like to give a special thanks to Jackie Levin, who has held this position for many years. Jackie has worked hard to bring the BCOA 'up to snuff' where juniors are concerned. Jackie has always taken her 'job' seriously and been dedicated to doing the very best to promote junior handlers within our breed!! My hat is off to you, Jackie, I only hope that I can fill your shoes!
