# Come Show and Play in Reno

The Reno-Tahoe area offers virtually unlimited recreational opportunities as well as an ideal show site. The Atlantis Casino Resort, in the southern end of the strip in Reno, is located in the heart of a lively restaurant and shopping district. The hotel is framed by the most rugged slopes of the Sierra Nevada Mountains overlooking Lake Tahoe.

While the casinos, restaurants, shops, and nightclubs provide indoor entertainment, outdoor activities abound in this high-desert community. Championship golf courses, parks, walking and jogging trails, tennis, water sports, and some of the world's best cross-country and downhill skiing are within easy reach.

**Resort Amenities:** The Atlantis is a premier casino-resort, known for its fabulous food. With seven restaurants ranging from The Purple Parrot, a 24-hour-a-day breakfast and salad bar, and the local's choice, Tavern Charlie's buffet and grill, to award-winning Monte Vignone Italian Ristorante featuring a 1000-bottle wine cellar, and the Seafood Steakhouse containing a 1000-gallon aquarium, you can certainly find somewhere to dine whether you are in a hurry or have time for fine dining.

**Amenities:** In fact, you really don't have to leave the resort at all to find all the entertainment and relaxation you desire. A casino featuring tropical decor that includes an indoor waterfall. A nightclub and five cabaret entertainment. And the 1000-room resort offers economy to deluxe accommodations, with indoor and outdoor pools, a full-service health club with steam room and sauna, a video and game arcade, a 27-story coverage tower and a master lodge, and many fine hotel amenities. All IGCNA Specialty attendees will have complimentary access to the Atlantis Spa and Fitness Center.

**Ballroom:** The lavishly appointed ballroom is 10,000 square feet, which provides ample room for the show ring, exhibitors, and spectators. And the Terrace will provide room for vendors. Additional seminar rooms will be available for other activities, as will some of the restaurants for our luncheon and banquet. To top it off, the hotel will donate the use of several

areas in the casino and 24-hour security is on the premises.

The master lodge is a 110-room building, separate from the casino and main hotel. Guests with dogs will be housed there. The grooming facilities will also be located there. Rooms in the master lodge are not large, and you will be most comfortable keeping only one to three dogs per room. They provide standard accommodations for 100-night (single or double) Sunday to Thursday, and 100-night on Friday and Saturday.

Casino/Terrace rooms are available for guests without dogs. They are spacious and rather luxurious and offer all the expected amenities. Rates will be \$70/night Sunday—Thursday, and \$100/night Friday and Saturday. Upgrade accommodations are available in the coverage tower, including many Jacuzzi suites for those desiring special accommodations.

**RV Parking:** RV parking will be provided in the parking lot across Virginia Street. No hook-ups are available. There is a full-service RV park several blocks away that is very reasonably priced.

**Transportation:** The hotel provides a free airport and downtown shuttle for guests. For taxis are available in town. The airport is less than 30 minutes away.

slot machines for IGCNA to host a benefit "slot tournament" for attendees.

**Guest Rooms:** Rooms feature 24-hour room service, voice mail, message service, dataport connections, on-demand movies, and in-room Keno. The parking

### NEW TITLE HOLDER: Coursing Champion & Courser of Merit

Majenkir Imprabella, NACC, NACM, Mira; Owners: William and Karen Ackerman TD: 10-6-01

Points were earned at hunts held between 1/1/01 and 12/31/01. Results were submitted to me by Tim Sanders, NACA Recorder. Between the two organizations functional tests for Borzoi were held in California, Idaho, New Mexico and Wyoming. Four Borzoi were able to complete title requirements this year. For 2001 the Top Open Field Coursing Borzoi for the BCOA is Valeska Unbridled Sea, CC, CM owned by Linda Turner and Yvonne McGehee who competed in both California and Wyoming. The top open field coursing borzoi will be designated each year on the following criteria: (1) The dog will be BCOA member owned. (2) The points will be based on the number of hounds defeated during the calendar year starting January 1<sup>st</sup> and ending December 31<sup>st</sup>. The dog gets one point for itself and one point for each dog defeated in its stake. Should a second Borzoi stake be run, the hound winning BOB, either by run off or by forfeit, gets extra points equal to the number of dogs defeated in the first stake. Send corrections to Karen Ackerman, PO Box 507, Upton, WY 82730. Or e-mail at adii@trib.com.\$

On September 1st, some new AKC Agility rules will go into effect. Some highlights include the formation of a new Performance class level, complete with it's own titles. In the Performance classes, dogs will jump 4" lower than in the regular classes. They will also be allowed an additional 5 seconds to complete the course. Two, weave poles will now be part of the Novice Standard course. Third, dogs must be under control, verbal or physical restraint, before they leave the ring or they will be disqualified. (So no more jumping out of the ring, guys!) Full details are now available on the AKC web site, under agility regulations. Click the bar on the top for updates effective 9/1/02. §

It has been quite a lengthy learning process to edit, copy & process this Video. I do apology for the time it took. I think everyone will like the final results, as the name of their dog/bitch appears on screen along with their class and armband #. The owner(s) name(s) also appear on screen. A lot of "extras" are also added into this production, i.e. crowd, interviews, still shots.
