We Honor Those Who Have Left Us

Roni Zucker—Raynbo (October 21, 1946—August 12, 2019)

My mom's love affair began with our first three Borzoi—Sasha, Nadia and Ziggy. We started showing in 1989 and we continued on to breed our first litter in 1995 with our foundation bitch Ch. Birchwood Sweet Child O Mine from Audrey Mulligan, Birchwood Borzoi. She was bred to Ch. Majenkir Tsuperlative from Karen Staudt Cartabona, Majenkir Borzoi, to produce multi BIS, BISS, BIF National, Futurity, sweeps, Westminster KC, top producers to name a few. And the rest is history. Love you Mom.

Carole Misko Corimski— Pennylane (Passed away January 3, 2021)

Carole led a full and happy life known for kindness, good sportsmanship and cheerfulness. A long-time resident of Pittsburgh, PA, she was a loving wife, mother of three, grandmother of three and a devoted sister. She was a graduate of Point Park University and owned and operated her own insurance business. She was known for doing anything to assist her clients and providing a personal touch.

Carole's love for Borzoi began in 1968 when her younger sister, Elaine, begged their parents for a Borzoi. That dog was Am./Can. Ch. Loral's Igor Ivanevitch, who was a group placer, specialty winner, sire of five champions and a litter brother to the well-known BIS winner "Joe". With Lorraine Groshans' thoughtful mentoring, the two sisters came under the spell of breeding and showing this magnificent and beloved breed. Carole did the grooming, Elaine the handling and both of them reared puppies with the "Pennylane" prefix. Together they bred, owned or co-bred 29 champions, working with bloodlines from Loral, Conamor, Majenkir, Rancho Gabriel, and imports from Poland, Finland and Norway. Elaine remains active in the breed today but Carole was always in the background offering support and advice and was a BCOA Life Member.

Carole also loved music, ballet, sports and traveling. From climbing the Great Wall of China to riding an elephant in Jaipur, India, the two sisters explored the world together. Carole will always be remembered for her humor, courage, and love of her family and friends, as well as her passion for Borzoi. Hers was a life well lived.

Lynn DePrizio—Karlyn (July 25, 1950—January 3, 2021)

The canine community grieves the loss of Lynn. She raised, trained, coursed and showed Borzoi since 1980 to many AKC, CKC, ASFA & UKC titles. She was passionate about her work with Delta Pet Partners, where her Borzoi visited with adults and children. Lynn was an integral member of the Silver City Canine Training Center, where she frequently could be found judging rally, giving a beautiful seminar, or hanging out with her beloved Borzoi. She loved helping problem-solve people's obedience and rally issues and was a frequent mentor and teacher to many. Lynn also visited schools and talked about the importance of responsible dog ownership and the wonderful world of purebred dogs. Lynn believed in the versatility our Borzoi breed can offer and her generous, friendly, and gentle heart will be sorely missed by her many friends.

Thunderhawk Farm is an Arabian horse farm located in the high desert of Central Oregon at the base of the Cascade Mountain Range. Our breeding program focuses on combining the natural beauty of the Arabian horse along with the athleticism and intelligence to create an all-round partner throughout one's life.

Here, our beloved Borzoi thrive and play among the lush green pastures, old growth pines and groves of Aspen, and cool themselves off in the creek that runs throughout the property.

Karen Ackerman—Varykino (October 9, 1945—April 15, 2022)

Karen March Ackerman was born October 9, 1945 in York, Pennsylvania to Colonel Richard L. March and Ruth Miller March. She lived her early years in a number of different areas as her father was in the Air Force. In the mid-1950s, the family moved to Rapid City, South Dakota, where Colonel March was stationed. Karen was able to stay in Rapid City from fourth grade through college as her father was promoted but always at Ellsworth Air Force Base. Karen graduated from Rapid City Central High School in 1963 and attended the University of Wyoming, where she earned a bachelor's degree in international relations in 1967. Soon after graduation, she was employed by TransWorld Airlines as a stewardess and flew both domestic and international routes for three years.

In 1969, Karen renewed her relationship with an old college boyfriend, Bill Ackerman, and the two were married on October 24, 1970 in York, Pennsylvania. Bill was a PhD student at Ohio State University and had been awarded the Fulbright Scholarship for doctoral dissertation research in Argentina.

Karen then added South America to the many world places she had visited while flying. She lived in San Bernardino, California and earned a master's degree in early childhood education at California State University. She taught in San Bernardino for several years. In 1980, Karen and Bill moved to Upton, Wyoming, where Karen made her permanent home. Karen did some substitute teaching in Upton before becoming the managing partner of ADI Insurance, a job she held at her passing. Karen became active in the Upton community and was a member of the Chamber of Commerce. She was also an avid dog lover and soon became involved as a leader of the Weston County 4-H dog obedience training program. Karen was still actively involved with 4-H and would also do dog obedience training for anyone needing help and always free of charge. She was kept busy with her own dogs and was involved with coursing and showing her Borzoi.

Karen won a number of national titles for her racing dogs and finished several AKC show champions. Her success led to her being elected a Regional Governor for the Borzoi Club of America, where she represented the States of Wyoming, Montana, Idaho, Oregon, Washington and Alaska. Karen also served on the Upton Senior Housing Board and the Weston County Health Services Foundation Board. Her dog activities led her to being the editor of Hares and Hounds, a nationally-circulated publication on coursing hounds. At one time, Karen worked closely with Karla Ludemann to provide Karla's students with real-world experience in publishing.

Karen also worked to help prepare tour guides for historic places in the Upton area, including Upton businesses. She was also recognized for her community involvement by being selected as Upton's Citizen of the Year in 2007.

Karen died on April 15, 2022 as the result of the onset of a very aggressive and rare form of bone cancer. She was preceded in death by her father, Colonel Richard L. March, USAF, her mother Ruth and her brother Richard. She is survived by her husband Bill Ackerman, a step-brother Jeff Stumpf, and three cousins (all of Pennsylvania), a special niece Jessica Joyner of Texas, and eight dogs.

A memorial to benefit the Books for Brains Program has been established. Donations may be sent to the Karen Ackerman Memorial, in care of the First Tier Bank in Upton.

Michelle Copeland—Beckonridge (March 23, 1960—April 3, 2023)

Michelle has always been known for her connection with animals and was a woman of many talents. She absolutely adored Borzoi and bred under the kennel name Beckonridge with the love of her life Darrell. Michelle designed, owned and operated her own business, Shenandoah Pet Supply, out of two locations in Strasburg, Virginia and Woodstock, Virginia before embarking on a career with the United States Postal Service, starting off as a seasonal clerk and excelling into a Supervisor role, a position she proudly held for over a decade before retiring. Michelle had extensive knowledge of the Borzoi breed and shared that wisdom and laughter with her friends. She will be greatly missed by both her two- and four-legged companions.

Celebrating 50 Years

Sandra P. Cambreleng—Fawnwood (August 22, 1942—July 20, 2022)

Sandra passed away at Good Samaritan Hospital in Suffern, NY. She was 79 years old. Daughter of the late Naomi (Lais) and Daniel Phair, she was born in Allendale, NJ.

Sandy, as she was known to everyone, was a woman of many interests and talents. She was a mother first and foremost and her children came first. At the same time, she worked as a real estate broker for almost 20 years but her real interests were elsewhere. She loved flowers and gardening and worked as a floral designer for several florists over the years. She put that same interest into her gardens at home, creating some of the loveliest gardens around. She was also passionate about cooking. She was an excellent cook and read cooking magazines like others might read *People* or *Vogue*. Her home library holds more than 100 cookbooks, many with multiple bookmarks sticking out of the top.

However, her real joy was breeding and showing her beloved Shetland Sheepdogs and Borzoi. She only wanted to breed the very best and took great efforts to research pedigrees to find the best stud for her females. She wanted her dogs to optimize the breed's standards but at the same time she wanted puppies that would be well socialized so they could be excellent family pets too. There were always cats in the house so the puppies would become accustomed to them as well.

She had repeat customers who came back three or four times for their next pup. On more than one occasion she turned away prospective buyers based on what they said or asked, or how their children behaved. She once bred a litter of 6 Borzoi only to learn after they were born that the breeder had hidden the fact that the stud passed on a hereditary heart defect that would dramatically shorten their lives. She opted to keep all the puppies rather than sell them only to have them die and break an owner's heart or cost the owner extraordinary vet bills. Despite that setback, she bred more than twenty champion Borzoi, even taking a ribbon at the Westminster Dog Show. All her interests allowed her to touch many lives and she will be missed by many.

Sandra is survived by her husband Paul L. Cambreleng, Jr. at home, in Monroe, NY; her son Jeffrey W. Paulsen and his wife Cristine of Campbell Hall, NY; her daughter Lisa D. Beal and her partner William Kavanagh of Loganville, PA; and by her three grandchildren: Lauren Beal and her fiancé, Lance Kibe, Emma S. Paulsen, and Luke D. Paulsen. In addition to her parents, she was predeceased by her brother Daniel D. Phair.

Jean E. Brauner—Vera (1952—April 8, 2023)

Jean, from Sparks, NV, was a blessing to have in the breed, breeding under the name Vera. She had a positive impact on so many human, canine and feline lives with her passion for breeding healthy dogs and later Ragdoll felines. Jean had an encyclopedic knowledge of pedigrees and was a staunch advocate for health testing, including the latest DNA tests, in order to breed the best dogs. She showed her dogs in performance and conformation and felt those events were the best way to show proper form, movement and structure in her dogs. She was a lifetime member of the Borzoi Club of America. She is survived by her daughter Lisa and is sorely missed by her many friends!

Jenny Coomler, RN—DeHaven (November 4, 1989—May 22, 2023)

Jenny was born in Ojai, California and spent her formative years in Santa Rosa, CA. After graduating high school, she attended the University of Arizona. In 2016, Jenny started her career as a registered nurse and was a fierce advocate for her patients and always ensured their voice was heard so they received the best care. Showing dogs was a particular passion, starting with poodles and then finding great success in Borzoi. Though a tough competitor in the show ring, she never hesitated to lend a hand to opponents at dog shows or introduce her Borzoi as a great ambassador for the breed. Jenny had an amazing impact on people, whether it was through her dogs or her warm and charming personality, quick wit, and caring nature. She was dearly loved by her Borzoi and friends.

Loved & Forever Missed
by
Ken & Leigh Paintin

**Sally Barron—Barron's
(1939—September 1, 2023)**

Sally was a life member of the Borzoi Club of Northern California and Borzoi Club of America. She hosted many running events in California at her Sloughhouse Ranch. She was an avid open field courser and lure courser, and made an occasional foray into the conformation ring, all with her sense of humor intact and love for her dogs at the fore. Her legacy lives on through the recent litter she bred and they will hopefully live on to be successful coursers and bring lots of joy to their owners. She will be greatly missed by the many lives she impacted!

**Laura Louise Van Diest—Mystic
(August 1, 1953—September 25, 2023)**

Laura was born in Orlando, Florida, where her father was stationed in the Army. She graduated from Park High School in 1971, where she was very active in tumbling and picked up skills as a seamstress. She then attended Montana State University and later finished her degree in Accounting at the University of Alaska. On November 10, 1981, Laura was in a car crash that left her quadriplegic, with only partial use of her arms and hands. She and Randy moved to Alaska to pursue their passion for dog sledding. Randy tended to the sled dogs and Laura raised a succession of champion Borzoi. She traveled to dog shows—and often won them—across Alaska, Canada and the lower 48 states. Trophies and ribbons from those shows filled her home office. She is survived by her husband Randy, of Chickaloon; her brother Scott McMillion of Livingston, Montana; her sister-in-law Cyndie Bell; her Borzoi Jewel and cats Bad Luck, Skitten and Trudy; and many friends.

**Jean Patten—Revelstone
(December 13, 1947—November 2023)**

“A true champion of Borzoi” is a phrase used to describe Jean. She passed away unexpectedly in her home, which she shared with her lifelong partner, Jan McMinn, and their beloved dogs. Jean was a lifelong member of the Borzoi Club of Northern California and the Borzoi Club of America. She had served as an officer with BCNC in almost every position over the years and was an invaluable member, as well as a wealth of knowledge. She was a wonderful mentor and the type of friend who gave unwavering support. Her wisdom and humor will be greatly missed!

**Keith Pryor—Zomahli
(1932—December 7, 2023)**

Losing Keith is a sad loss of a true gentleman who had a deep and abiding love of Borzoi. His famed Zomahli breeding program produced many top dogs and many lines have been and are influenced by his kennel. His legacy lives on through his work at the Canine Museum, which wouldn't be in existence without his initiative and extensive knowledge. His passion for the museum was palpable and attendees can continue to be beneficiaries of his knowledge for years to come. His passing leaves a huge hole in the Borzoi world and community. Many who are left behind treasured his friendship and passion for the breed. One of his long-time friends remembers him saying, “See you on the other side, my dear friend. You were always Best in Show.”

*Good luck to family and friends

performance + art

Louise Heaton Siegert—Cordova-Mishkova
(February 19th, 1939 - 2023)

Louise Heaton (Cordova) – Siegert (Mishkova) was a long-time breeder in Australia. Louise has bred and shown some wonderful Borzoi over the past decades and you can still easily find her lines behind current-day dogs in several countries. One of the most memorable moments described about Louise is when she won Winners Bitch at the National and ran a big lap around the ring waving the huge ribbon and yelling with unbridled glee. All who knew her described her as wonderful and knowledgeable about the breed and her joy was infectious to those around her. She had multiple best of breed winners, best in specialty winners, group winners, Best in Show winners and more! Her friends and family will greatly miss her and will strive to continue the legacy of love she had for the Borzoi breed.

Robert Thomas Bates—Plum Creek
(September 21, 1947—January 7, 2024)

Robert Thomas “Bob” Bates was born in Warren, Ohio, on September 21, 1947. He graduated from the University of Wisconsin in 1970 with a degree in Engineering and began a life-long career in that field. Bob relocated to Colorado in 1974, where he became a well-known civil engineer. He worked for various consulting firms until 1991, when he launched his own firm, Bates Engineering Inc.

Throughout his adult life, Bob pursued many interests and hobbies. These included volunteering at the Children’s Hospital Colorado, driving teams of Clydesdales in local parades and at the National Western Stock Show, riding motorcycles and driving fast cars. He loved photography, was a small aircraft pilot, ran marathons, climbed several Fourteeners and was a ballroom dancer.

For the past 20 years, Bob and his wife Diana have been involved in Borzoi under the Plum Creek name. They were active in conformation showing and Fast CATs. Their first dogs were from Ellen Green of Windkist Borzoi. The Bates owned and co-owned Borzoi from Majenkir, Konza, Katz and Svora as well. Bob and Diana have been active and generous contributors to the Rocky Mountain Borzoi Club and the Borzoi Club of America.

Bob passed of complications from Parkinson’s on January 7, 2024. Donations in Bob’s memory may be made to the Michael J. Fox Foundation for Parkinson’s Research.

Leigh Alan Littleton—Kalakirya Howff / Howff Carbonel
(March 13, 1937—February 8, 2024)

The loss of Leigh to the Borzoi community is great. Leigh developed his life-long interest in sighthounds and began raising and running Borzoi in lure coursing field trials. He was a member of many different organizations, including the American Sighthound Field Association (ASFA), where he received the Gary Forester Award; the Midwest Borzoi Club, where he received the Lifetime Service Award; Windchasers Lure Coursing Club; and he served as President for the Blue Ridge Association for Sighthounds. He produced many field champions, show champions, Grand Champions, most notably Locket, the #1 sighthound nationally for 3 years; Noel, the #1 Borzoi for one year; Phoenix, who was a dual champion; and Evolgo, a racing champion, Borzoi grand champion, and specialty winner, among many other notable dogs. Many of their dogs are influential in present-day Borzoi pedigrees. Leigh’s legacy will live on through the Borzoi who are still showing and coursing and carry on his influential work in the breed.

Edd Ablett—Aristoff
(May 16, 1935—February 20, 2024)

A true icon, known as Mr. Borzoi, has left us. Edd was a long-time influential breeder/exhibitor of Borzoi and notably one of the best Borzoi handlers of his time. Edd got his first Borzoi in 1962. He piloted many Borzoi to not only their champion title but many group, specialty and even Best in Show wins. Some notable dogs shown by him include Am/Can Ch Sirhan Poraschai (who at the time had the most BIS and BISS wins of any Borzoi), Am/Can/Mex/Intl Ch Kishniga's Dalgarth, Ch Mariza Rising Star Forever, Ch Virshina Earl Grey, and many, many more. Edd had many other interests: ornithologist (bird expert), had Best in Show chickens, was a master gardener, especially of his beloved iris. As soon as Edd touched the leash the dog on the other end of it was transformed into a better example of the breed. He truly had the magic touch and a great presence. He will be greatly missed by our Borzoi community and all the lives he touched!

George Meletiou—Meletoff
(March 5, 1950—April 2, 2024)

It is with a heavy heart I must write this about my good friend George. Many people come in and out of our lives but few make an impression. This, George, you did on me and many others; you will be deeply missed. George was born in Thebes, Greece and he passed away from a sudden heart attack in Oropos, Greece. May he rest in peace. George got his degree in mathematics from Athens University. He was a passionate dog lover, especially of the Borzoi breed in which his dogs provided two litters under the kennel name of Meletoff Borzoi. George was a member of the BOD of Cynological Club of Athens, a founding member of the Greek Sighthound Club (2017) and a member of the Greek Kennel Club. George had many passions besides his dogs. He enjoyed reading and studying philosophy and solving puzzles. During his free time George would spend his hours among friends discussing dogs and philosophy while enjoying coffee and dessert. George, as a final thought I will say, it is not good-bye but see you again my old friend; we will talk, laugh and share again in another life. Karin Einla, Finland

Colleen June Roberts
(June 6, 1935—April 11, 2024)

Colleen June Roberts (nee Hackett) was born on June 6, 1935, having a younger brother 'Harry' who went on to breed and show champion rough collies. Her mother was one of nine and she would often recount stories of huge family gatherings but especially those at Christmas, which was one of her most favorite times of the year. She married Robert Roberts and had two children, Craig and Christina.

Craig's 12th birthday present was a German Shepherd Dog that was shown at the first GSD National in Ryde, Sydney in 1967 and was 'placed' in a huge Baby Puppy Class. You would think that for a pup's first time in the ring by a first-time 12-year-old exhibitor, the 'show' bug would have been enticing but quite the opposite. It was not until very early '75 that Colleen was given a pup from Christina's first litter—Ch Borzaja Avoski Armavir—who became her constant companion and quite literally her heart dog, producing BIS winners at both Specialty and All Breeds levels.

Colleen attended the International Borzoi gathering at Hemel Hempstead in 1983 and also the Conference of the International Borzoi Council in Calgary, Canada in 1995. Through Hound Club NSW, she 'hosted' the International Borzoi Council conference in Sydney in 1998 utilizing all attendee judges from around the World to be a part of the official panel of judges for this Hound event.

Colleen also had a great sense of humour: As a consequence of appointments at two rather prestigious shows in Canada, Colleen decided that 'professional' photos were needed, however... her comment when viewing the finished product was "well, we had better hope that we are met at the airport by friends because nobody will recognise us from these!"

Firebird Borzoi

Since 1982

Ch Firebird Teine Absolute Darkness, FCh, JC

**Home to multiple Bench/Field Champions
AKC Breeder of Merit**

Corrine & Natalya, Roswell, New Mexico
fastdogs5@yahoo.com Text - 208-440-1642

In the late 80s she was nominated to become a Management Committee/Director of what eventually became the Royal New South Wales Canine Council, Ltd., the governing body for all pedigree dog registrations and events in NSW and the official State Member of the Australian National Kennel Control trading as DogsAustralia. She was re-elected for several 3-year terms until mid-2000, holding many positions including Chairperson of the Library & Archives Committee and the Spring Fair International Dog Show.

Colleen stated as she approached her late 50s: "Sometime soon I am going to be too old to run dogs around the ring. I need to get a judge's license and point my finger professionally!" and she did, attaining All Breeds in the mid-2000s. Colleen had judged in South Africa including BIS, Thailand, USA and Canada as well as judging on both North and South Island of New Zealand and regularly in all States of Australia, and also awarded the first Neuter Challenge in Australia at Alice Springs, NT.

Colleen was the Secretary of The Hound Club of NSW from the early 80s, being awarded a Life Membership, and remained in that position until her failing health required a replacement by her grand-daughter, Rebecca. She sadly succumbed to debilitating illnesses and left this earth on April 11, 2024. She is sadly missed by family and friends.

Thank You!

You know who we are - you know what we do. Now let us tell you why we need your help. With the loss of Amazon Smile, Facebook's restructuring of fundraisers using PayPal, and the exponential rise in Veterinary costs, NBRF lost revenue and incurred more fees than ever in 2023. The year ended with NBRF running in the red.

Every successful rescue is 100% due to the financial support and hard work of our dedicated team of volunteers. When a call for help goes out, there is always someone that steps up and says "Yes, I can".

Volunteers are NBRF's boots on the ground doing the hands on physical tasks of rescue. NBRF donors supply the fuel that keeps this rescue vehicle running. The Borzoi community is not a large one and everyone's participation is needed.

Pledge a one time or a recurring donation. Hold a fundraiser to benefit NBRF using: facebook, in person shows and/or club resources. Purchase merchandise from Shop Borzoi Life. Donate items to our auction and on line sales. Credit card, PayPal, check... Let us know how we can make it easy for you to follow your heart and become a sustaining member of NBRF.

Visit our website: rescueborzoi.org and learn more of our work and the many ways you can support our crucial mission. Access a DONATE button to pledge your support. NBRF also gratefully accepts checks mailed to: PO Box 231, Dix, IL 62830

For further assistance contact Kate Watts: katenbrf@gmail.com

2024 Health Clinics in Pasco, WA

Submitted by Ginger Jones, Health Chair

The Health Clinics conducted by the BCOA Health Committee this year were a **HUGE** success! We were able to fill every available spot for both heart and eye exams this year. YAY!! The total clinic counts were 36 heart exams performed by Katherine Nadolny, DVM, DACVIM, and 50 eye exams performed by Linda Collier, DVM, PhD, DACV.

The Health Committee covered the costs for club members' OFA registration and submitted a total of 50 exam reports to the OFA. We had participation from 36 non-members and many were non-Borzoi owners. The clinics were opened to all breeds of dogs after May 1. Members paid a lower fee for all exams than non-members.

The clinics started at 8AM and wrapped up at 7PM. A special thank you to the clinic helpers who all did an outstanding job of helping to coordinate people and dogs, so we were able to complete all exams in a reasonable timeframe: **Anne Midgarden, Caryl Dumaine, Jennifer Morgan, Adrienne Hopple and Veronica Spach**. I regret that I did not get the name of the individual who assisted Dr. Nadolny with the echocardiogram examination. Special thank you to her for her assistance and for spending the entire day at the heart clinic with Dr. Nadolny. Your help was so very much appreciated!

As kudos to our membership, both the eye doctor and the cardiologist commented to me at the close of the clinics how pleasantly surprised they were that there were so few Borzoi with abnormal results. **They both stated they thought very highly of the health status of our breed and complimented our members' attention to Borzoi health.** Keep up the great work everyone!

IO MEMBERSHIP SURVEY FOR NATIONAL CLINICS

I submitted a very brief survey in early April to those members who were subscribed at the time to the BCOA Members Only IO group. I wanted to get a feel for how best to support our members' needs and do so within a viable financial way. The questions took into consideration the following:

- How affordable are our National clinics for our members based on the location in the US where they were held?
- Would members prefer to have BCOA-supported clinics in their area in lieu of at the National location?
- Due to overall costs associated with the National, do some members feel that they are not able to also afford the additional costs of the National Health Clinics?
- If members had to prioritize which clinic exams they feel are either most important or very difficult to come by in their region, what would their preference for clinics be and which location

for them do they prefer when considering either the National Specialty or somewhere local to them.

The survey questions are listed below. There were only a few responses to the questions, so in no way did this serve as a broad-brush perspective on how the majority of our members feel about these questions.

Do you consider the clinics' prices this year to be too expensive?

I found the clinic costs charged by the specialists to be higher in the state of Washington compared to the rest of the country. There are very few cardiologists or ophthalmologists in Washington, so I felt extremely lucky to have been able to contract both for our National clinics. The overall response received from the limited number of respondents was that they did not think the clinic prices were too expensive for this year.

Would you prefer to have clinics offered at your Regional Specialty events instead of at the National?

I was hoping to get an either-or preference from this question but the overwhelming answer was members want both! The Health Committee will need to investigate how we go about offering both Regional and National clinics to better assist our members' needs.

When planning what events you will participate in at the National, is the health testing offered a priority for you?

Based on how many activities are available at the National, I was concerned about whether people have the time to incorporate health testing into that mega busy week! The respondents felt that this was a priority event they wanted to attend. Kudos!

When considering eye, cardiac and thyroid testing, which test is more important to you to be offered at either the National or your Regional Specialty?

The respondents answer to this was all of these health tests are important to be offered and at both locations. The Health Committee will put together a plan for National clinics based on what services are available and at affordable prices at each National and Regional location.

Lastly, DM testing was not taken into consideration for either National or Regional clinics as there is no discount on DNA testing at this time and the test can be easily administered by the owner. It is also difficult to confirm that, at a show, the dog being tested has not eaten anything for a viable time period prior to the swab exam. After all, who would want to deny their precious soulmate their prize treat?! §

BCOA 2024 Junior Showmanship Statistics

January 1, 2024 to June 30, 2024

Barbara Tyler Lord - BCOA Junior Showman Chair, Warwindfarm@gmail.com

Listed below please find the complete list of Junior Showman (BCOA junior members as well as club non-members) who exhibited Borzoi in AKC junior showmanship competition throughout the United States as per the *Canine Chronicle* numbers acquired from AKC data:

Izabelle Burg – 138 points	Libbyann Lancaster – 4 points
Kendall Parker – 25 points (junior club member)	Regan Greene – 3 points
Sarah Benson – 23 points	Lily Belle Linder – 3 points
Skyler Jeney – 21 points	Nora Greenspun – 1 point
Ariana Engleman – 6 points	Stella Piper – 1 point (junior club member)
Raina McCloskey – 4 points (junior club member)	Natasha Burtch – 1 point

Fellow BCOA club members, it is exciting to see that we have several new non-club member juniors handling Borzoi this year in the Junior Showmanship ring. If you happen to know any of these juniors listed above, I would appreciate you contacting me privately with any contact information you might be able to provide me for any of these junior handlers (e-mail, parents' phone number and/or mailing address). I thank you in advance for your assistance on this matter.

Junior members, please, if you have any questions or comments regarding this most recent listing, please feel free to contact me at the e-mail address listed above.

Lastly, as per the recently implemented AKC requirements, I, the BCOA Junior Showmanship Coordinator, have completed and been certified in the Stewards of Children Evidence Informed Training program. §

BCOA 2024 Obedience Rankings

for BCOA member-owned Borzoi, January 1 to June 30, 2024

Corrections to Dean Eelman, dkeelman@att.net

To be included in the report, the first person listed as the dog's owner by the AKC must be a BCOA member. To be ranked in the Top 5 dog list at the end of the year, a dog must have at least 3 Qualifying Scores from any Obedience class. Scores for each class will be multiplied by a factor based on level of class difficulty and all Qualifying Scores will be averaged for that dog. The factors are as follows: Beginner Novice – 0.8; Preferred Novice – 0.9; Novice – 1.0; Graduate Novice – 1.1; Preferred Open – 1.2; Open – 1.3; Versatility – 1.3; Graduate Open – 1.35; Preferred Utility – 1.4; and Utility – 1.5. Only 1 score is needed to be ranked #1 in any particular class at year's end.

The Summer and Fall Aristocrat report will consist of a list for each of the all Obedience classes with qualifying entries with the dogs' name in alphabetical order and their real average score. In the Winter and following year's Spring edition, each Obedience class will list the dogs in weighted average score order. In addition, the Winter and following year's Spring Aristocrat editions will list the top 5 dogs in weighted order for those dogs having 3 Qualifying Scores in any class or classes.

*One of only five Borzoi to achieve
a Platinum Grand Champion Title*

Horse and Hound & Kyrov

*Introducing
“Cadence”*

MBTSS, GCH Kyrov-Horse and Hound Step in Time

(GCHG Justart Majenkir Status Symbol
X GCHS Kyrov's Scottish Lilt at Horse and Hound)
DOB: 5/15/2022 CHIC#: 194913

“Cadence” has earned three Specialty Best of Breed wins, multiple group placements and a NOHS Best In Show all under two years of age.

We believe this exceptional young dog is the “complete package” and represents the best of our breeding program.

Cadence can be seen in the Best of Breed class at this National.

HABIT FORMING!

by Gwen Post

HOMEMADE BORZOI

Over the years I have been fortunate to have seen many collections. In most of these I have seen at least one or two items that are hand made and probably one of a kind. In many cases the collector has no idea who originally made the item, but the homemade Borzoi is just as prized as the commercially produced items.

I have seen several pieces of needlework that were old with Borzoi done in either crew! work or cross-stitch. The most popular item seems to be pillow covers, however handkerchiefs are a close second. I have never been lucky enough to find any of these old pieces, but I have done some pillow covers and crew! designs based on old patterns and they have come out nicely. There are quite a few cross-stitch patterns available. My favorite is an old one of a medieval lady and her Borzoi. It is difficult but well worth the effort.

Homemade silhouettes are another item that you can find. The ones I am speaking about are hand painted designs on glass. The commercially painted glass silhouettes can be easily identified. All the homemade ones have brush marks and variances in the thickness of the paint; whereas the commercially produced ones are totally uniform in paint thickness with no brush lines showing. Often too, you will find the commercial ones with a store's name printed on the glass along with a thermometer. Paper silhouettes are much

harder to determine age, but you can easily determine that they are indeed paper. A paper silhouette will be mounted on a background in such a way that the cut paper is raised. There are new paper silhouettes being cut as I met a lady at a craft show who does Borzoi silhouettes. After meeting her I taught myself how to cut simple designs. Photo 1 is of an old homemade paint on glass silhouette. There are two colors of paint used in it and upon close inspection you can see variances in the thickness of the paint.

Ceramic pieces are another item you can find. Again I am not talking about ceramic pieces made from commercial molds and decorated at home. There were quite a few commercial molds produced in the past years that have Borzoi and many can still be found. The ceramic pieces I am talking about are done using hand cast molds or totally by hand. Photo 2 is of a piece that was bought for us in Vicksburg, MS. After you look at it carefully there is no doubt that it is a homemade piece. Disregarding the proportions you can see that the base has a non-flat irregular surface. The bottom of this piece is signed Carla and was done by Carla Alioshin. It was made for Mary Travinier.

Photo 3 shows a clay figure of a mother and pup. From the work you can see that it was shaped by hand. I bought this piece at a dog show in 1980 and it is marked

photo 1

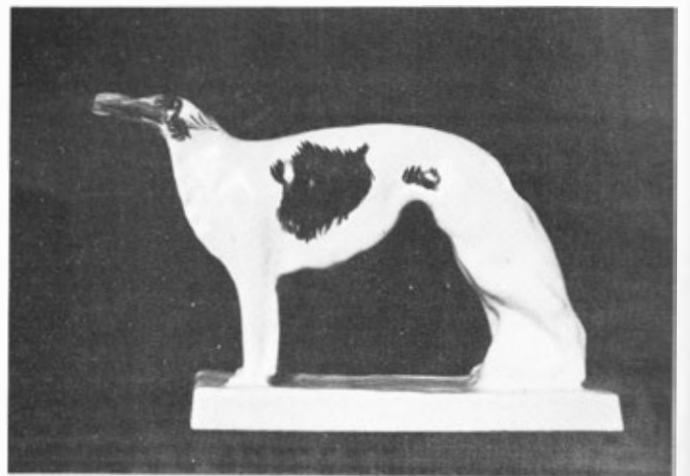

photo 2

Bred by John Sazy, MD

Alcyon 1980 so it is not old. At a later show I found another clay piece but it was unmarked. I was told when I bought the piece shown that the artist was still producing pieces but do not know if this is still true.

The next item is made from some sort of plastic substance. (photo 4) It came to us in 1983 as a gift. I think that it might be the type of material that is molded by hand and baked in an oven. This piece is mounted on a wooden base which is painted. It is signed Marlys 77 and I assume that is who made it.

The last type of homemade items that I will discuss are ones that use parts that have been mass produced. Photo 5 shows a piece that is a combination of two mass produced items. The dog is typical of the small lead figures probably from Germany (I can not tell as it was repainted black and any

mark is now covered). The vase is removable from the holder and is clear pressed glass. The base and vase holder are made from what appears to be tin. Both the dog and vase holder are welded to the base. There are no marks or initials on the piece and I have no clues who put it together. I bought it from a dealer in Kansas who knew nothing about it.

All of the homemade items no matter what it is made from or how it is put together have one thing in common. They were all made by someone who loved the breed.

Happy Hunting!

Lyme Disease in Dogs

By Emily Killian, MPH - BCOA Health Committee Member

In just a few short weeks, summer highs will give way to cooler fall temperatures, lulling some pet owners into a false sense of security about tick prevention. In many parts of the country, ticks are present year-round and can be present well into October and November in others. No matter where you are, keeping pets on continuous preventative can help protect your pet from tick-borne disease, Lyme disease in particular.

Lyme disease, a bacterial infection caused by *Borrelia burgdorferi*, is transmitted through the bite of a tick and affects dogs and humans, as well as other domesticated animals. At least 4 known species of ticks can transmit Lyme disease, but deer ticks, also known as black-legged ticks, transmit the disease most often.

Once a tick bites and attaches to a person or animal, it takes a day or two for it to transmit the bacteria that cause Lyme disease. That is why prompt removal of ticks is important and it's also why preventatives can still allow a bite. The preventative kills the tick before the bacteria can be transmitted.

Prevention is especially important in the spring and the fall, as risk of transmission is highest during periods when the tick nymphs (spring) and adults (spring and fall) are actively seeking hosts.

Shifts in disease trends

Lyme disease in dogs has been reported in every state, although there are some regions of the country where ticks that harbor the bacteria are more common – the northeast (especially New England states), upper Midwest, and Pacific coast. In general, the rate of Lyme disease occurrence is similar in both animals and people, so monitoring disease trends among people can provide insights into how the disease is changing in animals. Overall, cases of the disease in humans have been increasing, so owners should take precautions for themselves and their dogs.

Signs of infection

Most dogs exposed to Lyme disease will not become sick. For those that do, it can take several months after a tick bite for symptoms to develop. Signs of Lyme disease in both dogs and humans can vary. Many dogs can be infected but show no signs; however, the most common symptoms include fever, appetite loss, intermittent lameness, painful or swollen joints, swollen lymph nodes, and lethargy. Untreated infections can damage the kidneys, nervous system and heart. Symptoms of Lyme-associated kidney disease are more severe than the typical Lyme infection and include vomiting, appetite loss, increased thirst and urination, weight loss and extreme lethargy, and it is often fatal. Infections can also cause damage to the nervous system, causing seizures and other symptoms.

Diagnosis

Diagnosis for the disease is not always straightforward and can require clinical exams and laboratory testing to rule out other potential causes of illness. An antibody test can be helpful in diagnosis, but it will take a month or more after a tick bite for the test to show if antibodies are present. Once a dog is diagnosed

with Lyme disease, the veterinarian may recommend additional tests to screen for kidney involvement.

Treatment

Cases can be treated with a month of antibiotics and limb and joint symptoms usually resolve in that time, although some animals will require additional treatment and others may experience chronic, lifelong joint pain. Dogs with kidney or nervous system involvement may require additional supportive treatment.

Prevention

There are four main ways to prevent infection with Lyme disease:

Tick avoidance: Avoid contact with ticks by not going into wooded and brushy areas with high grass, fallen leaves and brush and staying away from swampy areas and places that are moist and shady. When possible, walk in the center of trails to avoid tall grass and vegetation. Ticks wait on vegetation and brush and then jump onto dogs.

Prompt removal of ticks: The longer a tick remains attached, the greater the chances they will transmit disease. Spotting small ticks can be tricky. For a diagram on places to check your dog for ticks, go to <https://www.cdc.gov/ticks/prevention/preventing-ticks-on-pets.html>

Dogs should be checked for ticks, especially if they have been in tall grass, brush or wooded areas during the spring, summer or fall. If ticks are found, remove them with fine-pointed tweezers. Grasp the head of the tick, right where it enters the skin, and pull the tick straight out, using firm, steady pressure, making sure not to grasp or squeeze its body.

Acaricides: There are many products on the market that kill ticks before they can transmit Lyme disease. Discuss with your veterinarian which option is best for your dog.

Vaccines: Several vaccines are licensed for use in dogs. In areas where Lyme disease is common, owners should discuss disease risk with their veterinarian to decide if vaccination is warranted. This discussion will center on location, risk and lifestyle. Previous Lyme infections do not provide lasting immunity and dogs that are infected and treated can become infected again. The vaccine can help prevent re-infection. Evaluation of efficacy for these vaccines is challenging and efficacy estimates can range from 50-100% and even with vaccination, a veterinarian will still likely recommend continued use of year-round tick preventatives to minimize the risk of infection. Lyme vaccines are usually administered, followed by a booster several weeks later and then annual boosters.

As we head into the cooler months, be sure to discuss with your veterinarian what products are right for your dog and consult with your vet if you suspect Lyme disease in your dog. And even though we're tempted to think the risk of tick bites goes away when the temperatures go down, ticks are resilient and year-round prevention can help keep your dog free of Lyme disease infection. §

**Majenkir Borzoi Reg since 1963
now passing the torch.**

May your lives with your Borzoi be as rewarding. My advice: Be true to the AKC standard, “follow your hounds afield”, study, learn and apply. Contrary to popular belief I am approachable!

NEW TITLE HOLDER

RN, ATT, TKA, FITB

GCH Avalon Perlova MHD She Loves Me, RN, JC, TKA, ATT, VHMA, FITB

Pierce earned his Rally Novice title in 3 trials with a first place and two second placements. He passed his ATT, with flying colors and went on to earn his TKA and FITB this summer as well. He's such a fun dog and so willing to work with me. I look forward to seeing what else we can try!

Valeska Borzoi

He's still got it!

Left: WD and Best BBE at the 2018 BCOA National under judge Shirley McFadden at 4 years old.

Right: Six years later, at 10 years of age, Best In Veteran Sweeps under judge Rebecca Peters-Campbell.

Vaclav is expecting a litter in Norway from frozen semen with Tone and Maren Berger, Built For Speed Borzoi. Pregnancy confirmed.

Rey and Yvonne McGehee • valeska@turonet.com

NEW Obedience and Rally Points System starting January 2025

Beginning January 2025, ranking for Obedience and Rally will be using a points system. Qualifying points will be awarded for each qualifying run in every class. These points will get exponentially greater as the level of the class becomes more difficult. In Obedience, the Beginner Novice class will receive the lowest qualifying points for a qualifying run and the Utility class will receive the most qualifying points. In Rally, the Novice class will receive the lowest qualifying points for a qualifying run and the Master class will receive the most qualifying points.

In addition to receiving points for qualifying in a class, quality points will be awarded for high scores. In Obedience, points will be awarded on an increasing scale starting at a score of 185. In Rally, points will be awarded on an increasing scale starting at a score of 91. The qualifying points for qualifying runs and quality points for high scores will be added together to get a total used for ranking. This method will be used for determining the top five dogs at the end of the year and the individual class rankings.

Obedience Point Schedule

CLASS POINTS		SCORING POINTS	
Class	Qualifying Points	Score	Quality Points
Beginner Novice	1	170-184	0
Preferred Novice	2	185-187	1
Novice	3	188-189	2
Graduate Novice	20	190-191	3
Preferred Open	25	192-194	4
Open	25	195-196	6
Versatility	50	197-198	8
Graduate Open	75	199-200	10
Preferred Utility	100		
Utility	100		

Rally Point Schedule

CLASS POINTS		SCORING POINTS	
Class	Qualifying Points	Score	Quality Points
Novice	1	91-94	5
Intermediate	2	95-96	6
Advanced	3	97	7
Excellent	5	98	8
Choice	6	99	9
Master	8	100	10

***Aristocrat* Mission Statement**

The Aristocrat is the official publication of the Borzoi Club of America and is published quarterly in order to inform, educate and entertain the members by providing historical and current information on the Breed and issues affecting the well-being of our Borzoi.

Statement of Intent:

It is the intent that the *Aristocrat*:

- Serve as a record of BCOA and its activities.
- To provide a convenient forum for the reporting of statistics on the accomplishments of the members in conformation and performance events.

Policies

- Deadlines for submission of material for the *Aristocrat* are February 15, May 15, August 15 and November 15. A separate Specialty issue may be offered so that the results can be published as soon as possible after the National.
- Deadlines established by the *Aristocrat* Committee will be strictly adhered to.
- The right to reasonably edit all material or refuse to print material thought to be questionable or not in the best interest of the breed or Club is reserved by the *Aristocrat* Committee and the Editor.
- Only signed letters or articles will be accepted for use.
- Only Borzoi-related artwork will be utilized for the cover of the *Aristocrat*. If artwork is not available for a particular issue then the Club Logo shall be utilized for the cover.
- The following material will be published in the *Aristocrat* issue immediately following the National Specialty:
 - o Photos of the recipients of the Annual Awards in:
 - Conformation
 - Best Opposite Sex in Conformation
 - Obedience
 - Rally
 - Agility
 - Open Field Coursing
 - Lure Coursing
 - LGRA
 - Breeder of Top Conformation Borzoi
 - Top Junior Showman
 - o Photos of the Specialty Conformation and Performance Winners
 - o Judge's critique of Conformation classes
 - o Catalog pages and performance results
 - o Candid photos as available

Guidelines

- Articles submitted by BCOA Committee Chairs will be included as available.
- Any claims or statements by writers in the *Aristocrat* represent their own opinions and are not necessarily those of the *Aristocrat* Committee or the Officers and Directors of the Borzoi Club of America.
- All content is subject to the final approval of the *Aristocrat* Committee.
- Results and photos from BCOA Trophy Supported Entries will be included as provided by the TSE Show Chairman.
